## Sun Shines On Girl's Football Team!

On Tuesday the girls football team played in the Sussex football tournament. It was a really sunny day and the girls showed what an excellent team they are. **Amanda** and **Chloe** were very impressive with their goal scoring and passing. **Marielle, Sarah** and **Amy** played well in defence with **Mellisa** in goal. **Teah** and **Elisha** supported well in the

midfield. The team was managed by **Philip** who was able to pass on his knowledge of team tactics and offer lots of motivation in his team talks. The results were: HLS 2 v 0 Cedar House — HLS 1 v 0 Northease Manor — HLS 6 v 0 Oak Grove.

Hamilton Lodge were the overall winners of the tournament and **Chloe** was awarded "player of the day"... we think it was because of her "lucky boots" borrowed from HLS "hot shot" **Joe!**

A day to be proud of... well done the girls!

## Colours

**Philip, Chloe** and **Amanda** received their football colours this week.
