

Dolphins

A team of famous archaeologists visited Dolphins' class on Tuesday!
They looked carefully in the sand and found lots of interesting things to help learn about the past.

Beth B

On Thursday and Friday this week, a girl called Beth B came to visit and look around the school. She joined Dolphins and did lots of fun lessons. Here is a picture of Beth with her new friends playing golf in their PE lesson.

Garden Centre

Last Friday, Andrew K, Lenny, Rosie and Sarah visited a local garden centre. They chose 3 pots to fill with daffodils for the spring and they also bought some flowers called pansies that will look pretty during the winter months.

Museum

On Thursday, Lenny, Rosie, Sarah and Tim visited Hove Museum. They saw different types of artwork and watched some old films made in Hove. Then they looked at lots of old toys and games in the Wizards Attic.

Birthday

Today Joe J is celebrating his 14th birthday. Congratulations Joe.

PE Star

PE Star Performance this week was Marcel, who did some excellent tag rugby. He scored tries and understood that he had to throw behind him when passing the ball! Well done Marcel.

Photos - Urgent

Please could parents/carers return the order form for pupils individual photographs. If you have decided that you do not want a photo, then it would be helpful if you could please also return the form.

Thanks —
Meena (reception)

House Certificates

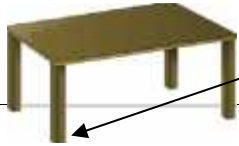

Last week the score was
Blue 1 Yellow 4

This week, **Oliver C, Morgan M** and **Marcel** got points for Blue.

Blue 4
Yellow 4
Well Done!

School Council

This week, at the school council meeting, Rosie said that some of the tables in the art room are wobbly. She had a good idea and said, "Put some folded paper under the wobbly legs."

Cricket

On Thursday evening, some of us played cricket on the field. Morgan scored 35 runs, she hit the ball everywhere and ran really fast— no one could get her out! Well done!

New Minibus

The new minibus is very comfortable and less bumpy to ride in. The gears are easy to change and it looks really cool. Have you been for a ride yet?

Best Maths

Well done to **Lenny** for independent work on time, **Kelly** for fantastic work adding and subtracting decimals and to **Ryan** for brilliant work simplifying fractions.

Brighton Eye

There is a new attraction on Brighton seafront, it looks like a big bicycle wheel and it is called the Brighton Eye. It will have great views of the coast and Brighton. Mr Sheppard is wondering who will be the first person from HLSC to have a ride?

I can see HLSC.

Hey, what a fantastic view!
