PE Performance of the Week

The PE performers of the week this week are Andrew K and Sam R.

Both boys worked really hard in the sports centre gym. Andrew is now running and walking on the treadmill as well as planning his own weights to lift and Sam worked with his i pod plugged in to the cycling machine to follow a personal trainer and record his progress. Sam cycled 21 laps on the virtual track on level 9! An excellent achievement. Well done to you both. Ms Mundy

Dental Hygienist visit to HLSC

On Wednesday 2 dental hygienists visited school. All the pupils went in groups to learn about dental hygiene and to take part in some experiments. The hygienists were very pleased with the questions that they were asked. We learnt about teeth cleaning and which foods and drinks are good and bad for our teeth. At the end everybody was given a new toothbrush. Some of us sucked a tablet that showed up where our teeth were dirty.

Table Tennis

The table tennis competition has now started. Good luck to all those who are taking part. (First to 11 points.)
