

Birling Gap

On Thursday Ms Wakeling and Ms Simmons took 7F to the coast at Birling Gap. 7F have been learning about coasts and how the sea erodes the cliffs. The cliffs at Birling Gap are very soft and erode quickly. There are houses on the cliffs and they are slowly falling into the sea.

In 1970 there were 8 houses, now there are only 5. Ms Wakeling was really impressed with all of the information 7F had remembered, well done 7F!

Football

Congratulations! Louie went to a presentation with Sussex County FA Disability League. He was over the moon to win the Player of the Year Award and is very proud of his trophy and medal. His team, the Worthing Specials, were runners up (under 16) in the league so everyone had a great day.

Roots

In the Resource Room there is a special plant pot with a glass back and an opening back. As the plants grow above the soil you can see how their roots grow down into the soil, searching for food and water.

Birthday

On Monday it was Natasha's birthday. Natasha is having a party tomorrow with all her friends. She is very excited!

Hamilton Lodge School & College Newspaper

Weather: Please stop the rain! — It's meant to be summer

Work Experience

This week Year 10s have been on work experience. Some had to wake up very early and some worked in the evenings. They have all worked very hard. The employers said "well done".
— There will be more photos next week.

Campers

On Tuesday after school, Paighton, Oliver C, Sam C, Peter, Louis D, Louie S, Ben R, Ben B, James G and Morgan H took tents up to the school field and set up camp for the night. They had a delicious barbecue, played some games and woke up early for breakfast.

Chessington World Of Adventure

Year 7 and Primary had a really fun day at Chessington World of Adventure on Wednesday. All the pupils were very brave and went on scary rides that Mrs Francis was too chicken to go on! Lutricia held Mrs Francis' hand on the Vampire rollercoaster so she wouldn't be scared (she was) and Natasha held Mrs Francis' hand in the haunted house so that Mrs Francis wouldn't get lost!

Gingerbread

10 boys from number one got creative in decorating their gingerbread biscuits, Sam C spent a long time doing his.... delicious

Deaf Visitor

Today we were pleased to welcome back Mr Jeff Drew (ex teacher) for a visit. It was lovely to see him again!

Sports Day & Open Evening

A reminder that next Thursday 19th July it is Sports Day, starting at 1pm. Then Open Evening at 4:30pm. We hope that lots of you can be there.

Technology Day 2012

On Wednesday we had a brilliant Olympic Technology Day! There were lots of activities to keep us fit like a special bicycle that made smoothies, a wheelchair obstacle course and timed athletic events in the gym. We designed trainers, made and raced our own sailing boats, learnt to eat healthily and matched Olympic medals to the countries where they were won. Well done to the winners.
