

## Deaf Visitor

On Wednesday, an outreach worker from BSLBT, called Steven Wynne, came to see us. It was good fun. Steven showed us some BSL programmes and we gave him some feedback. He said that BSLBT have made 106 programmes for BSL users. There was some sad news, "Wicked" is finishing this Christmas but

Steven said there is a new and exciting programme to replace it. Visit [www.bslbt.co.uk](http://www.bslbt.co.uk) for information about BSL programmes.

## Name That Chicken

We are having a competition to name our new chickens. Remember they are girls and it would be good to have names that relate to one another eg Jane, Juliet and Janet or names starting with 'A', 'B', 'C'. The first prize will be some creme eggs (not laid by chickens).

### The Egg That Came First!

Chloe found the first egg from the chickens. It was amazing because it felt soft and not hard! Mr Sheppard also found an egg with spots on it. (Children in Need)
