

PE Star of the Week

This week the PE star performer was Rian. He was so encouraging to the younger pupils at Blackland Farm on Thursday making them feel calm and confident about the activities when they needed support. His own skill level in all activities was excellent and I was very proud of his attitude and maturity through the day. Well done Rian! — *Ms Mundy*

Work Experience

This week there has been a Longhill School student called Tom who has been at Hamilton Lodge. He has worked with Mr King doing some DT and MVS, with Mrs Trabucchi in food tech where he helped with making rock cakes and bacon sandwiches and with Ms Mundy in PE where he has helped with swimming, football and the day at Blackland Farm. Tom has been an excellent student and we hope that he enjoyed his time with us. In the future he wants to go to PE college and become a PE teacher. Good Luck Tom we are sure you will do well! — *Ms Mundy*

Goodbye

We are sad to be saying goodbye to Jess, who has worked at the school as a TA. We wish her lots of luck in her new job.

Welcome

Welcome to Lewis who has started at HLSC this week. He is in 8C. We are sure he will be very happy and make lots of friends.

Helicopter

On Wednesday evening, Ben R, Ben B, Mortimer, Kai, Morgan H, Louis, Joey, Peter, Georga, Kelly and Izzy went to Shoreham airport, Sussex Police Hangar. They saw the police helicopter and the search and rescue boat and all the diving equipment. The camera on the helicopter is worth £800,000!

Harvest

When we come back to school it will be our Harvest Festival. If you haven't yet brought in tea, coffee or biscuits to give, then please try to remember.

Xmas Cards

Don't buy your Christmas cards yet. The winning design for this year's card has gone to the printers and will be for sale after half term.

Best Maths

Well done to Ryan (10G) for his brilliant work on adding fractions. — *Ms Barnett*

House Certificates

Last week the score was
Blue 6 Yellow 7

This week, *Ben R*, Ali and Abbey got points for Blue and Louis, Joe F and James B got points for Yellow.

Blue 9 Yellow 10

Parent Care Views

If you haven't yet returned your parent/carer view form which was sent out, then please could you pop it in the post during half term.

Level 1

Congratulations to **Abbey, Chloe, Sam R, Lamin, Ryan, Aaron, Chris, Andrew M, Liam, Andrew K, Curtis, Pauls, Beth, Matthew F** and **Harry**, who have passed BSL Level 1. They received their certificates in assembly today.

Communication

On Tuesday, **Alice, Gabby, Paighton, George, Joe, Georga, James B,** and **Oliver C** went to Westdene Primary School to meet year 2s. They were brilliant! Year 2 loved learning to sign so much they were inspired to make some lovely work. Some of them went home and looked up the sign for happy and colours signs. Well done!

Gardening

On Wednesday Alice and Gabby worked hard in the Primary garden. They harvested loads of potatoes, beetroot, cherry tomatoes and two big pumpkins!

Halloween Party

Halloween Party and Costumes

Monday 31st October
6.00 – 8.30

For pupils in Primary,
Years 7, 8, 9, 10 and 11.

If your child would like to wear a costume please can they bring one from home.

PS: Have a good half term— see you on the 31st October

House Prizes

The winners this week are
Marcel and Nathalie.

Hamilton
Xmas DVD We are sending home free copies of the Christmas play 2009 *Romeo & Juliet* and 2010 *Wizard of Oz* to pupils & students.— Mr Sheppard.

Friday 21st October 2011 Issue no: 1077 — *Est. 1982, 29 years ago.*

Weather: A bit warmer this weekend.

Oops! Sorry Sam, you are 15, not 13!

Year 7/11 Adventure

On Wednesday, Year 7 and Year 11 went to Blacklands Farm with Ms Mundy and Mrs Wakeling for a fun outdoor activities day. They split into two groups and went on the Zip-Wire, did Abseiling and a Team Building exercise where they had to make a brick tower. Year 11 were very kind and helpful to the year 7s and everyone had a great time.

Science

8C have been investigating which conditions woodlice prefer to live in. Ali and Ben R predicted wet and dark and were correct. All of 8C took very good care of their woodlice guests and they released them back into the tree garden after the investigation.

8S have been dissecting owl pellets in Science. They opened up the pellets and discovered a selection of bones from small animals, they then used diagrams of animal skeletons to piece the bones together and work out what the owls had been eating! — Mrs Francis
