

Horseriding

On Thursday, Louis D, Ben R, Joey and Peter went for their first horseriding lesson of 2011– 2012. The boys were excited and a little bit nervous when they first met their horses but were really happy and confident after the lesson. They played games and did a slow gallop. Mr Hatley and Ms Malinsky said, “The boys were all brilliant and the trainers were very impressed with how quickly they learned.”

Happy Birthday

Pupils celebrating their birthdays in school this week are Amy, Curtis, Sam C, Elisha and Guy.

Stanmer Park

On Thursday, **Tim, Lenny, Sarah and Rosie** went with Mrs Sheppard and Jessie to Stanmer Park. They have been learning about autumn and went to look for evidence that it is coming. They found lots of different leaves that have changed colour and fallen from the trees and lots of berries and nuts.

This year the games captains are Paighton, Olly C, Joe J and George. They will be responsible for helping to keep the PE areas tidy and also helping Ms Mundy to organise competitions and matches.

Party Meal

On Wednesday evening, a big group of us went out for a meal at Frankie and Benny's to celebrate Elisha's and Amy's birthdays. They had a lovely time and the food was great!

Star of the Week

Each week Ms Mundy will choose someone who has worked well or achieved something special in PE lessons. This week the PE superstar is Sam C. He scored his first goal in a football match on Tuesday.... he was so happy with 1 goal that he went on to score another 2, achieving a hat trick!!

Sewer Tour

On Wednesday evening, Ryan, Joey, Carl, Oliver, Joe, Curtis, Aaron, Sarah, Beth and Georga, plus staff, Paul, Dana, and Darren went on the Brighton sewer tour. The tour included walking through the main sewer tunnel under the Steine and the Albion Hotel. The tunnel is 8ft in diameter and was built during Victorian times; it is no longer used. At the end of the sewer, we had to climb up a 20ft ladder and came out at the fountain in the Steine. Luckily we didn't lose anyone or see any rats!.
