Diary

We each have a new HLSC diary. They are much better this year because they have a spring on the spine and they have a strong plastic cover. Please show your diary to your family at home.

Website

Don't forget to look at our website which is updated every week.

FE Students

There are 9 students in our new FE department. They started at Brighton City College this week and have all done really well. The students are sometimes back at HLSC for extra work or chatting with a cup of coffee in their own sitting room.

Gardening News

On Friday morning Lenny, Rosie, Sarah and Tim picked some marrows, carrots and tomatoes from their garden. There are some pretty flowers that they will pick for the classroom and reception next Monday.
