## Geography Field Trip to Birling Gap

Last Friday, 7S went to study the coast at Birling Gap, near Eastbourne. The cliffs there are made from chalk and river mud and are soft... they are being eroded quickly by the sea. 7S learnt about the erosion that has happened there. In the 1880s there were 8 cottages, a church and a large wall surrounding this settlement. Today there are just 5 cottages left, the church and the wall have fallen down onto the beach because of erosion.

## Australian Visitors

Briana and Darren flew from Melbourne, Australia to visit the Boy's & Girl's Houses. Briana and Darren both work at a deaf school in Melbourne... They enjoyed their tour of HLSC and felt very welcomed by the pupils. They said, 'HLSC houses are much bigger than our school's!'

## Deafinitely Theatre Summer School

For young deaf people aged 13 to 18  
at RADA in Central London.

**Mon to Fri. 12 - 23rd August**  
10am to 4pm each day

Workshops including drama,  
physical theatre, rehearsals and  
a trip to a West End show.

For more information please visit  
[www.deafinitelytheatre.co.uk](http://www.deafinitelytheatre.co.uk)

## Scott and Oakley

Scott came to  
stay at school  
this week.

Scott and  
Oakley were  
really pleased  
to see each  
other because  
they used to  
go to the same  
school.

## D of E Expedition

Congratulations to Georgia, Joe, Paighton, Oliver, George, James, Abbey and Leah who have all successfully achieved the D of E Bronze Award. On Wednesday and Thursday, the students went to Broadstone Warren to do an expedition involving walking, map reading, problem solving and working as a team. They also camped out at HQ and prepared and cooked their own food. The weather stayed fine and they all had a wonderful time.

Also, Amy (FE) was there with her friend Rhianna, they are both working toward their Gold Award. Good luck!

## Eastender

At the weekend Oliver was waiting in a restaurant queue and he met Eastenders character, Joey Branning! They had a chat and took this photograph.

## Woody

Joe has a new puppy. The puppy is called Woody. Woody is a golden retriever. Joe and Woody will do lots of walking together.

Joe said, "Woody is very sweet, he likes lots of cuddles. Woody likes playing with his ball, I am teaching him to bring his ball back to me."

## Wimbledon

Let's hope that Andrew Murray wins his semi final match today and then on Sunday wins the final to become the first British Wimbledon Tennis Champion since Fred Perry won in 1936

## Pier Trip

9W began their key stage 4 Humanities course this week and their first topic is tourism in Brighton. On Thursday the boys went to find out about Brighton Pier. They carried out research and found out there was plenty of things to do there. The age group that visited the pier the most was the teenage to early 20s age group. They all had a play on the slot machines and agreed that they had enjoyed their visit.

## The Drips

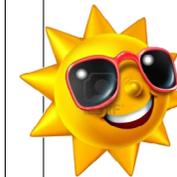

On Tuesday morning, we watched Facepack theatre group perform their play

*Are You a Drip?*

The play is about a family who learn to use water wisely. It was very funny!

## Hot Weather

The weather will start to get warm at the weekend and then hotter and hotter next week... Hooray summer is here at last! Next week bring a hat and a bottle of water.

## Ice-cream Trip

On Monday, all the girls had a lovely evening, they went to Queens Park, Bikeability and then after supper, they all went to the Beacon for an ice cream.

## Interviews

Next week Year 10 will be doing work experience.

This week they visited their placements and had their interviews. Well done!

## Skulls

In Science Year 7 have been doing some fantastic observational drawings of skulls this week. — Mrs Francis
