World Book Day

On Thursday, it was world book day. Mrs Grant asked all the staff for their favourite and worst books ever. What are your favourite books? What are your worst books? All the year 9s loved *Lord of the Flies* and said it is their favourite book!

You will all have a book voucher to take home this weekend which you can use in bookshops to buy some more books and get reading!

Hanging Baskets

Transition Challenge pupils decided that the playground needed a bit of cheering up. We went to the garden centre to get all the things we needed to make six hanging baskets. We weren't sure how to make them so we asked Erica who worked there to explain. We all enjoyed making the baskets and now they look beautiful hanging in the playground. We explained to the rest of the school how we made them in assembly last Friday.

Art and Sculpture

Also this week Transition challenge groups have been looking at different types of art media.

We went into a gallery to look at some very expensive paintings and we saw different

sculptures along the beach. Some of us added stones to a large pebble art picture.

On September 1st, he said 'Goodbye' to his family and friends and sailed from Troon in Scotland. Gerry's boat is called Quest III. Last Sunday, he sailed past his 5th cape, Cape Horn in South America and celebrated by drinking his first espresso (strong coffee) since September.
