

Football Highs & Lows

On Tuesday, Brighton lost 0-2 to Crystal Palace in the play off semi final. It was very sad for the City of Brighton.

Mr Sheppard went to the match and stood near the Crystal Palace fans. He said, "The Palace fans waved goodbye as I left the stadium!"

We were shocked to discover that our school nurse, Debbie, is a life long Crystal Palace supporter. She wore her scarf to school on Tuesday.

Catherine is happy because Chelsea won the Europa League Final on Wednesday evening.

Bottles

Louie and his dad have put up a notice at the gym where dad works, to collect bottles for the school greenhouse. So far they have brought in over 20 large black bags full of bottles.

Well done!

Save It!

The School Council would like to remind everyone to switch off lights, computers and phone chargers when they are not needed.

This can save you money and also save our planet, Earth.

Incredible Machine

The building extension work to the FE block is progressing well... the foundation for a new FE office and classroom has now been laid.

On Saturday, an enormous machine arrived at HLSC, then several cement lorries came and poured cement into the big machine... the machine extended its long arm, and reached across the playground, over the FE/DT building where it pumped all the cement into the ground.

College Visit

On Tuesday Year 10 visited City College in Brighton. They visited the FE students and saw the Refectory, Learning Resource Centre, Hair & Beauty Bar, Travel shop and all enjoyed a drink in the College Café.

Teaching Sign

In assembly on Tuesday, James told us about his teaching cub scouts fingerspelling. It was a great thing to do for Deaf Awareness Week. Well done, James!

Cricket

On Thursday the Sussex Deaf Squad played 2 matches at Sussex County's ground. In the first match against the Sussex Learning Difficulties team they won by 298 runs to 244; it was an excellent match with great batting from everyone, especially James, Paighton and Louie and some excellent bowling from Ali (vice captain), Olly and Joe. Well played everyone!

In the second match they played the Sussex CCC staff and that included the Sussex CC Chief executive and Paighton (captain) caught him out!

Unfortunately, their skills were too good for us but we only just lost.

Well done everyone, you made me very proud with your excellent skills in the matches and your attitude and behaviour through the day. — Ms Mundy

Hoops

On Monday some of the students and staff tried a new form of exercise - Powerhooping! Leah wowed us with some great moves. It was a lot of fun and it's also a great way to get fit.

On See Hear

Paighton, George and Mr Sheppard are famous! They recently attended a special meeting to ask questions about BSL recognition. Watch the latest episode of *See Hear* programme on BBC iPlayer!

Exams

This week Year 11 have had exams in Art, ICT and PE. More still to do — Keep revising and good luck!

PE Star

Well done to Kai for some excellent work in the cricket lesson on Tuesday. Great fielding and batting and an excellent catch! — Ms Mundy

Logos

Atlanta, Sam, Lenny, Rosie, Sarah and Tim have been looking at logos this week. Here are some logos, do you recognise them?
