Jigsaw Making

On Wednesday evening, Milan, Joe F and Peter spent time planning and drawing their own jigsaws. Peter said, "I am making one for my 3 year old cousin."

Hamilton Lodge School & College Newspaper

Friday 12th October 2012 Issue no: 1113 — Est. 1982 (29 years ago)

Weather: Getting cooler but hopefully sunnier too.

A Piece of Cake

Year 11 have now all completed their main practical food exam. Mrs Trabucchi had to keep testing Aaron's cake because she didn't know if it really was as delicious as she thought! They all did really well - photos will be up in the Food technology room soon.

Harvest Collection

We will soon be having our harvest festival. The School Council have decided that we are collecting tins of food for poor and homeless people. Please bring in at least one tin so we can achieve our target of a 100 tin pyramid. Please don't forget. — Beans, Soup etc...

Annual Reviews

This week, Annual Reviews started and **Chloe's** meeting was first.

These meetings are really important as we discuss about how you are each progressing with school work and other activities.

Medal

Congratulations to Catherine in year 7, who ran and walked 5km with her family in the Race for Life. In assembly on Tuesday, Catherine showed us the medal she received. Well done!

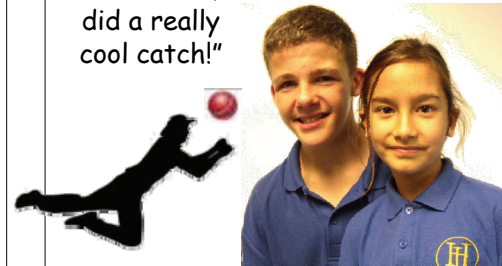

Pedal Power and Control

Year 10 practised their cycling skills this week in their MVS lesson. Mr King was impressed with their balance and control, as well as their support for each other. Once they master the tests on the bicycles they will move on to riding the mopeds.

Super Catch

In assembly on Tuesday, Ayeshaa told us how she was playing cricket in the gym on Monday evening, "I hit the ball and Paighton, who was playing basketball, did a really cool catch!"

Germ Busters

In assembly on Tuesday, Mr Sheppard reminded us that if we sneeze or cough to use a tissue or put a hand to our mouth. Also to wash our hands regularly with soapy water.

Housepoints

Last week the score was Blue 1 Yellow 0

This week **Shopna** and **Morgan M** got points for Blue. Well done!

Blue 3 Yellow 0

Birthday

It's Sam's Birthday this week.

Sam went bowling with his friends on Thursday evening.

Horseriding

Natasha and Kai are continuing with horseriding lessons every Thursday. This term, they have been joined by new riders, Lewis B and Morgan M. They love it!

Climbing

For a change of perspective the other boys suspended Liam upside down this week. They worked together well and Liam had to put his faith in the rope as well as his team mates to get him back the right way again.

Andrew K, after a great effort managed to reach the top of climb one. Well done Andrew !
