Brilliant DT Work

In assembly today, Year 7 and Year 8 showed us their DT work. Mr King (DT) said he was really impressed with the range of imaginative ideas from Year 8 when they made their torches. Year 7s should also be proud of their high quality toothbrush racks that they made on the Lasercutter. Great work!

Last week Esmee and Natasha went to the Brighton Science Festival. They made a fantastic rocket that they fired into 'Space'. Esmee and Natasha said it was a very good day.

A Class Poem

Awesome Alice does amazing art,
Beautiful Beth reads boring books,
Dancing David dances with dogs,
Lovely Lucy likes the library.
Poor Mrs Pulham puts up with 8P!*
