On Wednesday, a group of Theatre Studies students came with their lecturers to HLSC. They did drama workshops with years 9, 10 and 11 called *Side Effects* (Addiction), *Suffering in Silence* (mental health) and *The Lost Children* (refugees). Mr Kent, our Drama teacher, who was once a student at Reading University, said, "The pupils all had a fantastic time, did some really good work and enjoyed learning about the different topics."

The pupils were also amazed to see the famous Deaf actor, Ilan Dwek in school, the star of "4 Deaf Yorkshiremen" and "The Fingerspellers". Ilan was assessing the Reading students as part of their course, but had time to chat with our pupils too.
