

On Monday evening, Andrew, Louis and Peter had their Bikeability lesson. They cycled along the under cliff walk and back with the instructors and staff.

Food Exam

This week, Year 10 cooked up some delicious dishes for their Food Tech exam. Mrs Trabucchi was really pleased, she said, "They loved the cooking but they weren't so keen on all the washing up!"

Governors & Trustees

On Wednesday, lots of the Governors and Trustees came into School and College to watch lessons and also to learn things about changes to Teaching and Learning.

WANTED

165 Bottles Please

Ms Francis still needs 165 more plastic bottles (with caps) for Technology Day.

500ml
Any Colour

Thank You

In assembly today Mrs Trabucchi said a big thank you to Rosie (FE) who has been doing some work experience as a TA in Food Tec. She has been very helpful.

Godzilla

On Thursday evening a group of pupils went to the Komedia Theatre for a special subtitled showing of the movie Godzilla. The special effects worked brilliantly in 3D!

Housepoints

The score last week was
Blue 23 Yellow 19

This week, **Scott** got a point for Blue. Well done!

Blue 23 Yellow 19

House Prize

The winner this week is Scott.

Hamilton Lodge School & College Newspaper

Friday 23rd May 2014 Issue no: 1178 — Est. 1982 (31 years ago)

Weather: Let's hope it's sunny and warm for the half term holiday.

Quality Woodwork

Scott, Reece and Patrick have been working in DT with Mr King designing and making their very own desk tidy. They have made sure that work is top quality and they asked Mr Sheppard into their lesson so that he could ask them questions about their work.

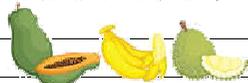

Plumpton Visit

On Wednesday morning, Sam and Peter went to Plumpton College to see the Equine Centre. They saw lots of different breeds of horses and filled their hay nets ready for dinner. Peter also tried out the riding simulator. Both boys thoroughly enjoyed their day.

Smoothie Maker

On Wednesday evening, Reece and Naomi (Care) went to buy exotic fruits for smoothie making. All the younger pupils enjoyed trying the exotic fruit.

Lucy

Last Friday afternoon, my mum and I drove to my aunty Carol's caravan by the sea. I had a great weekend with my cousin Emma.

Sign Video

We had a visit from Joe Collins from a company called Signvideo this week. He gave a very interesting talk to the FE students about new technology for deaf people and how we can use a sign language video interpreter on our mobile phones. We all learnt some new information and it was a great presentation from Joe.

It's A Drone

On Sunday, I saw a very strange black object flying over Brighton beach. We thought maybe Aliens were coming to attack Brighton! Actually, it was a drone. A drone is used by the police to watch what is happening and to help keep everyone in Brighton safe.

Did you see it too? — Ms Frankel

Deaf Awareness

On Thursday, as part of Deaf Awareness week, 10M, Ms Wakeling, Ms Caiels and Ian the interpreter went to the Royal Sussex Hospital and set up a drop in centre, so hearing people could come along and learn some BSL. It was really successful and lots of people enjoyed signing.

Deafinitely Youth Summer School

Watering

Lots of thanks to Scott who has been going around the school at lunchtimes watering the flowers and plants. He has a watering can and a special pump sprayer

Sand Sculptures

On Tuesday some of us went to see the Sand Sculpture exhibition on Brighton seafront. There were lots of amazing sights from around the world and we tried making our own sculptures out of sand.

Art

Year 7 have been learning about tone. They looked at real still life arrangements. They used black, grey and white charcoals. It was a fantastic piece of work. Well done!
