

A Variety of Easter Eggs

Thank you to the Variety Club who brought us a surprise delivery of lots of different Easter Eggs.

We had a lucky dip in Care to share out the eggs. Very tasty!

Thank You

Mr Kent

Mr Kent went to Warwickshire on Sunday to do the "Wolf Run" - an obstacle course over 6 miles through mud, freezing cold rivers, running, swimming under water and some really tough circuit equipment. It was freezing cold, raining and he spent a lot of the time in mud and really dirty. He managed to finish the whole thing and enjoyed it, but at the end was totally exhausted and very, very cold! When asked if he would do it again next year - he said....."I'll think about it!!"

10K Runners

On Sunday 12th April, Darren (Care) and Mrs Higgs ran in the Brighton 10K to raise money for Fitness Trail for the students. Both of them have been training for the event for several months and were very pleased to have completed the course in good time.

In assembly on Wednesday morning, Mrs Higgs explained about her training programme and show us the iPhone apps she used to help her train.

Darren said, "It was a really good atmosphere and I was happy with my

time... Fastest I have run for 5 years and I have booked to run next year's marathon!"

Brighton Deaf Football

The Brighton & Hove Deaf Football Club had its first 11 a-side match against Charlton Athletic Deaf Football Club and won 4-2!

There were lots of HLSC students and ex-students involved - George, Joe, Kieron, Carl and Lamin. It was a tough match and was really windy, but 2 goals

from George and 1 each from Joe and Kieron sealed the victory.

Mr Kent - the Assistant Manager was really pleased to launch the club again and get a great result and said more matches will be planned for the future.

It's not too late to donate:

Recreation Time

Wednesday afternoons is recreation time for some of our FE students. This term, Andrew and James have decided to go to Stanley Deason Sports Centre to play Racquetball. " We had a brilliant time," said James.

Welcome Kiran

Welcome to Kiran, a new student in FE. He has had a great first week and has done some cricket, driver & passenger safety awareness training and cookery. Kiran said, "I love it at HLSC!" Here is a picture of Kiran and Lenny making beans on toast.

Blockbuilders

Megan & Joe visited from a company called Blockbuilders. They recently finished university and set up the company to help young people to get involved in local building redevelopment projects and to get their views across to the local authority.

Visitor

Richard Clowes came into school on 23rd March to talk to FE students about doing voluntary work in Sri Lanka. He gave an exciting presentation and many of the students said they would like to go sometime in the future.

Richard was accompanied by his friend, Nicolas Hall, who is deaf and has been to Sri Lanka. Nicolas told the students all about his experiences and how this has helped him become more confident. You can take a look at Richard's website, which is called 'Voluntears', for more information.

OFSTED Care Report

Our care report is now published which grades us as good with outstanding outcomes for pupils & students. Read it on our website

Sun Fun

The sun has been shining all week in Brighton. We've made the most of it. We went to the Park for the first time this year on Wednesday evening.

Housepoints

Last term the score was
Blue 12 Yellow 13

This week, Ayeshaa. Well done!

Blue 12 Yellow 14

Titanic Anniversary

Mrs Grant talked about the anniversary of the sinking of Titanic. Everyone thought Titanic was unsinkable but it hit an iceberg on 14th April 1912 at 11.40pm. It sank in the early hours of the 15th April with over 1500 lives lost.

Driving Simulator

The FE Driving Theory group have been working in partnership with Keith Baldock, the Road Safety Officer for Brighton and Hove. We are very excited that Keith has loaned us a Driving Simulator so we can practise driving on different roads in different situations. Thomas said, "I am enjoying using it. It is good practice for the future."
