

Year 11

Every Friday, Year 11 go to Plumpton College to try different courses. 11P especially enjoyed their visit to the stables, where they prepared lunch for a hungry horse.

Louis

Louis plays football every Sunday with the Saints Foundation (Southampton FC). At half term the BBC filmed their tournament for Match of the Day. Louis was excited to meet Southampton player, James Ward Prowse.

A very small clip was shown on Football Focus last weekend during an interview with Prowse.

Murder Mystery

In a special assembly on Tuesday afternoon we all watched a special drama DVD created by the FE students - "Who Killed Mr Kent?"

The FE students took 6 weeks to write the story and film all of the scenes and were all really pleased that the pupils enjoyed it. The inspiration for the drama was Eastenders "Who killed Lucy Beale?". It was a great atmosphere in the gym and all of the pupils concentrated on the FE drama for 40 minutes and then all split into groups to become detectives and figure out who had killed Mr Kent! It was great to see all of the discussions going on and everyone enjoyed it very much. Well done to those who worked out - Kieron was the murderer!! And well done to all of the FE students for all of their hard work and brilliant acting.

Everyone agreed at the end - it was actually better than Eastenders!!

It's a Date!

On Saturday 20th June it will be HLSC's second annual Summer Fete. Following on from the brilliant success of last year's fete, we are expecting even more people to come from far and wide to join us in the many activities that will be on offer this year. **20th June, make it a date... put it in your diary!**

Mrs Higgs 10K Runner

Hi, I've been teaching at HLSC for about 10 years and my brother was a pupil here in the 1970s. I have never run or done any exercise in my life before, in fact I was a proper **couch potato** before I signed up to do the BM10K run. Now I train at the gym 3 times every week and use an iPhone app to help me. I achieved 5K on the treadmill in the gym and now I have started running outside. Running makes me very hot and my face turns bright red like a tomato but...I don't care because I'm raising money towards a Fitness Trail for all the pupils (and maybe staff) at HLSC to enjoy! Louis, his Dad, Darren and I all need your support and sponsorship so spread the word and tell all your friends and families.

FE Driving Theory

This week we focussed on 'safety and your vehicle'. Work included carrying out visual safety checks on staff cars!

Did you know you can use a 20p coin to check that your tyres are the correct depth? Thanks to the staff who trusted their vehicles to the students! — *J. Frankel*

Year 9 Abstract Art

Look at this fantastic artwork inspired by the artist Nicholas Krushenick.

Mad About Sport

During half term Ben and Marcel went to Grosvenor Hall in Kent for a busy sporting weekend. They played lots of different sports with other deaf children, aged 11-15. Marcel and Ben had lots of fun.

Good Luck Kieron!

Kieron plays for the Sussex FA Disability Representative Team.

On Saturday he is playing in the quarter finals of the SE Disability Cup at Bisham Abbey.

HLSC all wish you luck and hope you score lots of goals!

Cricket

On Wednesday a group of 5 boys and 5 girls went to the first Sussex Deaf Cricket County training at Brighton

College. They all agreed that the coaching with Matt for the boys and Alan for the girls was really fantastic and they have all said that they enjoyed it but it was really hard work. This is the first of many training sessions that the County players will take part in. This training is for all deaf pupils throughout the County and they have already made some new friends! — *Ms Mundy*
