

Tectonics

10M have been learning about tectonic plates, earthquakes and volcanoes with Mrs Wakeling. Mrs Grant was very impressed with their knowledge and explanation of how earthquakes and volcanoes happen.

Sam Sings

Last week at college, Sam tried a Music session. He was really happy singing with a microphone.

First Class

Here is a picture of some of the HLSC Girls Squad travelling in style by train, on their way to Derby for the annual 5 a side football tournament.

Valentines Party

Hamilton Lodge Valentines Party will take place on the evening of Wednesday 11th February in the dining room. Dress to impress and remember to send your sweetheart a valentine card.

Housepoints

Last week the score was
Blue 8 Yellow 9

This week, Scott got a point for Blue and Patrick got a point for Yellow. Well done!

Blue 9 Yellow 10

Derby Champions

On Tuesday it was the annual 5 a Side Football tournament in Derby. The HLSC Boys and Girls teams did extremely well playing matches against some tough opposition.

The Boys made it through to the semi finals with passionate performances and lots of goals. They ultimately emerged as worthy champions for the second year running.

Well done to all of our talented players and also to their expert coaches who worked so hard behind the scenes. Another HLSC success!

College Cooking

At college, Atlanta and Peter made Roulade sponge roll with a chocolate ganache coating.

Sushi Chefs

The boys at No. 11 are always keen to try cooking up something different. Rian, Liam and Leon decided to have a Sushi evening. Naomi (Care) said, "They did very well and Rian was very professional."

Drumming News

On Thursday, Rachel had her first ever drum lesson. Mr Inman and Mr Hatley agreed that Rachel achieved a lot and worked very hard.

Pop Art

Year 9 have been learning about mixed media and the work of Abstract Pop Artist - Nicholas Krushenick.

They have developed 4 different design ideas, using colour in their sketchbooks, then they chose one design to enlarge. They all did excellent work and produced some really fabulous, colourful paintings - using different materials - all inspired by Krushenick's work.

Final Countdown!

On Thursday it was Nick's (Care) last day at HLSC. Nick, who is also an ex-pupil, has worked at HLSC for 7 years. He is leaving to work at a school near his home.

Nick is a keen astronomer and has organised Space Club for several years. On Thursday evening it was Nick's last mission, the countdown to the launch of a gigantic balloon. Thanks Nick, for all your great work, we wish you good luck in your next mission!

Old Friends

At the football tournament in Derby, ex-pupil, Joey was there with his new school team. The HLSC pupils were very pleased to see him again.

Olly & Paighton

We are very proud of Olly and Paighton as they have both achieved their silver Duke Of Edinburgh award.

On Wednesday both boys were part of the presentation team who hosted the award ceremony. They introduced the ceremony and told the audience of 500 people about their adventures on their expedition. They were awarded their certificates by the Lord Lieutenant of Sussex, the Queen's representative. It was a great evening, well done boys.

Here is a picture of Olly and Paighton with their proud mums.
