Congratulations!

Leon (FE) is doing a Construction course at City College in Brighton. There are lots of hazards in the construction industry and it is important that all workers know how to work safely so that there are no accidents. On 21st January, Leon successfully completed *Health, Safety and Welfare in Construction* with a pass mark of 87%. Well done, Leon!

It's a Date!

On Saturday 20th June it will be HLSC's second annual Summer Fete. Following on from the brilliant success of last year's fete, we are expecting even more people to come from far and wide to join us in the many activities that will be on offer this year. **20th June, make it a date... put it in your diary!**

Open Day

We had parent and local authority visitors in on Thursday. We ran workshops on a variety of topics including, audiology, language, deaf identity and exam access arrangements. The visitors really enjoyed their day.

Rock Climbing

Every Tuesday a group of climbers from HLSC drive over to Plumpton College, to use the climbing wall there under the excellent tuition of Bill and Emma.

The group is Lenny, Ben and Louis... they are working towards an NICAS qualification in climbing that focuses on belaying, knots and improving climbing skills. It looks like great fun and is excellent physical exercise.

Real Life Stories

On Tuesday years 10 and 11 went to the Holocaust memorial event in Brighton. We saw a DVD about an English man, Nicholas Winton, who saved nearly 700 Jewish children from Nazi capture in 1938 by bringing them to live in the UK. Then we had a talk from a lady called Dorit Oliver-Wolff. Dorit was Jewish and had to escape from the Nazis in a laundry basket when she was just 7 years old. It was really interesting to hear her speak and to get an understanding of what life was like for many Jewish people in Europe during World War II.

Go Harry!

Good Luck to Harry (FE) who is playing for Great Britain Under 21 deaf football team on Saturday. They are playing France and Harry will travel to Leicester for the match. Harry plays in midfield and is very proud to be a GB player. He said he will make sure that he eats Weetabix and banana in the morning to give him energy!

Housepoints

Last week the score was
Blue 7 Yellow 9

This week, Marcel got a point for Blue. Well done!

Blue 8 Yellow 9

Ofsted Care Inspection

We had inspectors in Wednesday, Thursday and Friday. They asked lots of questions to staff, children and governors.

FE Cooking

Every Monday the FE students cook their own meals, including planning, preparation and dining. This week, Lenny, Andrew and Peter planned the meal with the help of Simon (Care staff), and they decided to cook Swedish Meatballs, Yum! They went to Asda to buy all of the ingredients, then prepared their meal in the FE residential kitchen, and they were able to enjoy all of their efforts by dining together.

Well done to Lenny, Andrew and Peter for making a delicious meal!!!

Football Coaching

This week at football coaching – Hayley, from Brighton and Hove Albion, did some special training with the girls to prepare them for the national 5 aside competition in Derby. It is only two weeks away! All the girls trained really well, and there was some great defending and shooting on show too.

Meet Some of Our 10K Runners

Louis and his dad, Mark, have stepped up to help raise funds in HLSC's 70th birthday year. They will be running the Brighton 10K in aid of the school and hope you will be encouraged to donate to us.

Louis, who is in year 11, said, "Since joining HLSC, I have become more actively involved in sports. I enjoy running, football and staying fit and healthy. I go running every Sunday."

The money raised will help HLSC to continue to provide amazing facilities for deaf students for the next 70 years and more.
