Wilderness Woods

On Wednesday lots of Year 7/8 and 9s went on a great activity trip to Wilderness Woods. They learnt about Bushcraft survival skills. The pupils immensely enjoyed the building of shelters and wood fires - especially the giant toasted marshmallows melted over the fire!!

Mr Bird, Senior Care, said, "The pupils get so much out of trips like these. Thank you to Simon Belgrove for all his hard work and organisation."

Terry Jones – 40 Years at HLSC

Today in Assembly, staff and students said thank you to Terry Jones (Premises Manager), who has worked at Hamilton Lodge for 40 years. As a thank you HLSC bought him some engraved gifts to use when he plays golf, which he loves doing in his spare time.

Simon Burgess (Business Manager) said; "Terry and his maintenance team are vital to ensuring that HLSC keeps running well day in, day out. They are constantly maintaining, repairing and updating our school, college and boarding accommodation. Nobody knows more about how the whole place works, here's hoping he carries on here for another 40 years!"

Magna Carta-Transition Day

We had a Transition Day for years 5s and 6s and the theme was the Magna Carta. The Magna Carta was written 800 years ago to stop King John treating people unfairly. Our democracy today is built upon the ideas of the Magna Carta. We did lots of fun activities including shield making, cookery, PE, Calligraphy and Drama using tableaux.

Artist

Professional artist, Faye Whittaker, visited HLSC last week. She brought some of her amazing artwork to show and talked about her life, and how Princess Diana bought one of her paintings. Faye did a watercolour painting demonstration for the pupils... It was fantastic and only took half an hour to complete! The pupils were blown away! It was a very enjoyable session.
