Marvin

Goodbye to Marvin (Chef) who has worked in the kitchen for 3½ years. He is an excellent chef and we would like to say thank you, Marvin for all the yummy things. Good luck!

Goodbye to Abi who has worked at HLSC as a TA for 4 and a half years. She has been absolutely brilliant. She is going to train as a teacher to teach English to years 7-11. Good luck, Abi!

Africa

Mr Couch is flying to Gambia in Africa for a week, to work with teachers of the deaf and deaf children. He will be visiting St John's School for the deaf in Banjul (the capital) to meet the head teacher and some of the staff. He will train some teachers. Mr Couch has been to Gambia before, doing hearing tests and fitting hearing aids to children there. Mr Couch said, "It is very hot in Gambia, I hope to spend some time by the pool! I will bring back some photographs to show."

Playground Chalks

In Science, Year 9 made some coloured chalks. They used them on the playground. Mrs Francis said, "The chalks inspired the pupils to create some wonderfully imaginative drawings."
