

Beach Volley Ball

On Monday evening, the girls from No.15 went to play volleyball on Monday, fab time. Naomi

Reminder

Please remember to return permission slips on Monday for the following event.

Tuesday 7th July
Wilderness Woods

Castaway Day & Evening Camp Out

Year 7 8 & 9 have an opportunity to try out their bushcraft skills during the day, followed by a campfire barbeque and sleeping out under canvas.

Bush crafts skills being taught at Wilderness Woods the event will of course be supervised by HLSC Staff.

Hamilton Lodge

School & College Newspaper

Friday 3rd July 2015 Issue no: 1222 — Est. 1981 (34 years ago)

Weather: Phew, it's been hot! Becoming cooler, maybe some rain.

Technology Day 2015

On Wednesday it was our annual Technology Day.

We went to Amberley Working Museum, which has lots of old and interesting inventions to see. We had a ride on a train and an old bus, a picnic and fun in the play area. Thanks to Mrs Trabucchi and her helpers for organising the fun day.

First Aid

At the Fete, Pauline (HLSC Nurse) put a sticking plaster on a very unusual patient— The bouncy castle had a tiny hole and was losing air fast. Well done Pauline!

House Prize

The winner last week was Reece.

Duke of Edinburgh

Horse Riding

Congratulations to Scott, John, Reece and Patrick who have all passed their Level 1 riding assessment. They got certificates and rosettes. Well done!

On Thursday and Friday the Year 10 girls did a practice expedition in preparation for the Duke of Edinburgh Bronze Award. They had to walk across the South Downs with full rucksacks, maps and a compass. They arrived tired but happy at camp and enjoyed cooking their dinner outside. Well done!

Careers Advice

Kate Beecham who is a careers advisor came in last Friday to talk to year 9 and 10 about future plans, careers, choices and work experience. The pupils really enjoyed her sessions and how she guided them into thinking about their future jobs.

Cupcakes

Rachel kindly made some cupcakes at home to bring into school. At breaktime on Monday she shared them with eager pupils. Thanks Rachel, they were delicious!

FE Goodbyes

We have said goodbye to some FE students who are leaving us this year: Izzy, Rian, Harry, Matthew, Oliver CP, Kieron, Liam and Sally. We are all sorry to see them go but wish them good luck as they all carry on their studies at local colleges. Izzy and Rian are carrying on at City College in Brighton next year and hope to go to university after that. Kieron is also carrying on with his sport course next year along with Harry. Some HLSC staff will carry on supporting the students at CCB.

70th Anniversary

We still have a few HLSC 70th Anniversary photos available. Contact Heather in reception.

Tom & Jerry

Last week, Sarah and Ms Higgs wore the same Tom & Jerry t-shirt. They laughed because they looked like twins!

Arundel Cricket Day

On Tuesday lots of pupils went to Arundel for a very special day out. In the morning they watched a professional cricket match between Sussex 2nd XI and Hong Kong on the picturesque Arundel Castle cricket ground. After lunch, they enjoyed a guided tour of the famous Arundel Castle and relaxed in its beautiful gardens.

Special thanks to hosts, John

Davies and John Barclay, for organising such a wonderful day.

Visitor

We had a visitor from South Africa today called Odette Swift. She is the Education Director for the Deaf Federation of South Africa and was interested to visit HLSC to see what we do here.

Badger Survey

On Thursday a visitor called Heidi came to do a survey of the badger setts (homes) near the school field. She was very pleased to find two setts. Both setts showed signs that badgers are still living in them. Heidi said, I can see where the badgers have been digging holes in the grass looking for food.

Drumming

In assembly on Thursday, lots of students got their Drumming Grade 1 or Grade 2 certificate. Mr Inman said, "Everyone has passed, Mr Hatley and I are very proud... it is a brilliant achievement." Well done!

David practising with the KRplayer iPad app.

PS Mr Hatley passed too!
