

## Climbing Club

On Tuesday evening Lenny went climbing at Plumpton. When he reached the top of a very difficult climb that had taken a lot of strength, Lenny decided to have a rest and pretended to settle down for a quick sleep. Simon (Care) said, "Well done, Lenny! You deserve a prize for finding the most unusual place to fall asleep!"

Zzzzz,  
LoL

Good idea!

## Last Supper

Last Thursday all the girls and staff from No.15 and 34 enjoyed fish and chips on the beach as a farewell to Susannah (Care). Susannah loved all her leaving gifts and presents!

## Charity Walk

Ms Barnett walked 24 miles from Salisbury to Winchester on Sunday 31st May She raised £500 for Naomi House, Children's Hospice.

# Hamilton Lodge School & College Newspaper

Friday 19th June 2015 Issue no: 1220 — Est. 1981 (34 years ago)

Weather: Sun and cloud, about 19°C. Nice weather for a Fete!

## Year 11 Leavers

This has been an exciting week for year 11. On Tuesday they went for a great adventure day out at Knock Hatch where they went on go carts, giant slides and loads more. Then some of them went for two days on their duke of Edinburgh expedition. Today (Friday) was their Leavers' assembly. Family and friends came to school and watched them explaining

about their time here in school. They also did a great drama demonstration. This was followed by a buffet lunch. It was very emotional to say goodbye but not to worry as they have all decided to come back to FE next year.

## Welcome

Ms Maughan joined us in March. She works three days a week in Reception and two days with Mr Burgess.

## DofE Expedition

The Duke of Edinburgh students completed their assessed expedition this week. They walked about 20 km over the South Downs to Seaford where they pitched their tents and cooked their food. Staff were impressed with how much better the boys did the cooking and pitching tents. In the evening we all sat round a camp fire and had ghost stories and smores. They have all now passed their expedition section of the award, well done boys!!

## Robots

11P made fantastic robots in Art. They used different materials like shoe boxes, plastic bottles, kitchen rolls and plastic containers and then covered everything with tissue paper and PVA glue. Each robot was then painted in bright colours.

## 70th Anniversary

The HLSC 70th Anniversary photos are now available to buy from reception or at the School Fete on Saturday. Large panoramic prints, price £6 each.

**£6**

## Old Lift

Kieran & Edward walked to the Marina to go bowling. On the way they went down to the beach in a very old lift down to the beach - it's 125 years old!

## Mosaics

Year 8 created fantastic mosaic art with. They looked at landscape and skyscape pictures and drew them with different art materials. They enjoyed making beautiful designs from their drawings using little ceramic tiles.

## FE Driving Theory

Well done to Matthew for passing his Driving Theory test first time! Matthew has worked extremely hard in FE and at home, and his hard work certainly paid off.

Matthew is planning to take his Practical Driving test very soon. We're really proud of you Matthew, and looking forward to getting a lift! - *J. Frankel*

## Child Labour

In Assembly, we discussed Anti Child Labour Day. We found out there are 200 million children who are forced to work in the world. We discussed sweatshops and companies who use sweatshops and child labour. Some children are paid as little as 5p a day and so might earn £16 in one year. We talked about Fairtrade and how to stop child labour

## PE Stars

Postcards for excellent PE this week go to **Gabriel** for outstanding bowling in cricket and great stamina in the athletics lesson, **John** for his stamina in athletics, **Lucy** for helping her team to win the hit the wicket competition with a final wicket in cricket and **Reece** for excellent batting and a super 5 run score! Well done everyone; must be the sunshine!! — *Ms Mundy*

## 9D Debate

9D had a fantastic debate about the positive and negative impact on the local people of Cancun in Mexico - they came up with some very good arguments on both sides!
