

Goodbye

Today we said goodbye and good luck to Sarah (Ms French). Sarah has worked in Care for a long time and knows all the pupils, students and staff. Sarah is going to a new job with a similar role. Thank you for all your kind work.

WWE

On Tuesday evening Mr Dunlin went to watch WWE (wrestling), Rian (FE) was there too.

Mr Dunlin has been interested in wrestling since he was 8 years old. It was on TV every Saturday.

Sam

Sam has been working hard at St John's this week. Here he is painting a door with its 3rd coat of green paint.

Health & Safety

The FE Building boys are learning about health and safety on a building site. They went to look at the building work in the lane and identified all of the hazards that were there. They discussed the risks to pupils, staff and members of the public. They agreed that one way to reduce the risk is to put up posters about the dangers. They filled in *Risk Assessment* forms to give to their tutor next week. Well done boys!

Come Dine With Me

On Monday evening, it was Esmee and Ayesha's turn to do *Come Dine With Me*. They cooked Curry and Chocolate Brownie which was served to Louis and Morgan, who scored it 8/10. Well done!

Children In Need Day

Today we had a special assembly for Children In Need. Fancy dress was optional but lots of us took the opportunity to wear the brightest clothes we could find. We looked very colourful in our Superhero costumes and silly outfits.

Thank you to 10M for organising fun games for us to play and to 11T and Ms Mundy for helping.

Birdhouses

10M have been making birdhouses in DT with Mr King.

They have used a range of skills, materials and techniques including the laser cutter.

Mrs Grant and Mr Couch were very impressed and will be putting in their orders!

Listening Walk

Yr 7 and 8 went on a listening walk in Science. They heard all sorts of things including, an ambulance, a helicopter, people talking, a man sanding a wall, doors slamming and the sea gulls.

FE Cooks

Some of the FE boys cooked Jamie Oliver's *Fantastic Fish Pie*. Here is a picture of Andrew and Lenny congratulating each other on a job well done.

Simon (Care Officer) said, 'The Pie *really was* –Fantastic !!'

Breaktime Fun

David and Patrick were playing with a huge football at break time. Patrick said, "It is really heavy to kick." David said, "I feel like a mouse kicking a huge snowball!"

Climbing Hero

At Climbing club, this blindfolded Spiderman managed to ascend a complex climb, without assistance. He even challenged the climbing instructor to do the same!

Maybe next week, his challenge will be attempting the climb upside down! **Who is he??**

Auditions

This week we've been doing yet more auditions for the short list for the main characters in Peter Pan for Xmas. Last week's auditions were really good and all of the pupils worked really hard and they've continued with their hard work this week! All of the pupils have been very impressive with their concentration and focus.

Today, we announced who would be playing which role and next week we start script work and costumes! Good luck everyone!

College Cooks

At college, Peter and Atlanta made Brandy Snaps with cream and red berry filling. Yum!

Scott Swimming

Last week at Swimming Club, Scott swam 4 lengths without stopping. That's 100m. Well done!

Independence Targets

Scott has been working towards his independence targets this week, he helped yr7/8 cross the roads safely on their listening walk around Kemp Town.

FE Football Team

The FE boys have joined the 5-a-side *Power Play League*. They won their first match 4-2. Well done Harry, Paighton, Joe, Oliver, Liam, Leon and Pauls.

They will play a match every Thursday evening and we will be reporting on their progress here in this newspaper. Good luck lads!
