## Thanksgiving

It is thanksgiving in America this week. Mrs Grant talked about it in Assembly on Wednesday. On the 4<sup>th</sup> Thursday of November each year, Americans give thanks to the Native Americans who helped the pilgrims when they first settled in Plymouth, Massachusetts.

Mrs Grant talked about other areas of our lives where we should give thanks. We looked at different images and how some people in the world have to cope with very difficult lives but sometimes we take things for granted. We thought about lots of things we should be thankful for.
