

Annual Reviews

We have had annual reviews this week. A number of pupils have been in the meeting with their parents.

We have tried a new system of filming each pupil answering questions about themselves, in conversation with Sam (Deaf Studies). The conversation is shown to the people at the meeting. This has been really successful and the parents have really enjoyed it.

Working With Horses

Last week, Catherine was very excited about doing some work experience at her local riding stable. Catherine goes horseriding there every other Sunday and asked if she could help look after the horses too.

Catherine said, "I want to work with horses in the future and this experience will teach me some useful skills. Like cleaning the stable where the horses sleep... It was hard work sweeping and shovelling but I really enjoyed it. — Everyone was very nice to me and I made some new friends too."

*Hay! Catherine.
Thank you for
tidying my room.*

In Care, Reece, David and Scott made some brilliant fridge magnets. Peter made some fondant cake decorations to add the finishing touches to his, oh so sweet, double chocolate cupcakes.

At No. 34, Sarah made a banana cake, which the girls thought was delicious. Demand was high so Rosie made another one!

Double Yum!
