Everyone Likes Cola

On Wednesday a very special visitor, called Cola, came to HLSC to meet us. Cola is Esmee's *Hearing Dog* and she is very sweet. In assembly, Esmee told us all about Cola and showed us what a good and obedient dog she is.

It was very exciting and there were lots of questions, some pupils said they wanted their own *Hearing Dog*.

Hearing Dogs for the Deaf, like Cola, are taught by a special team of dog trainers, it takes a long time for young dogs to pass all their exams and become great pets and helpers for Deaf people like Esmee.

Esmee said, "Cola sleeps in my bedroom and she wakes me up on time every morning."

Painting

At college, Sam has been doing construction. Here is a picture of Sam doing some painting and decorating with a roller.

Sam likes the FE Department. He said, "I like chatting to Ms Wood."

They both enjoyed their stay and made some new friends.

Jasper said, "I like HLSC lots!" and **Alice** said, "It is very good here."
