Adventures In Belgium

During the summer holidays Oliver went to Belgium for a week with his Scouts group. He said, "It was a fantastic week and I had lots of fun and some new experiences!" Oliver did a number of activities including Rail Biking, climbing on High Ropes, Kayaking, BMX biking and Archery. The Scouts also visited Tyne Cot cemetery to commemorate the centenary (100 years) of World War I.

Debate

This week Mr. Kent lead the FE students in a debate about Scottish Independence vote.

They split into 2 groups and after a lot of discussion and good arguments, from both sides, the most popular view was that Scotland should continue to be part of the UK.

Theatre Visit

On Thursday afternoon pupils in year 10 and 11 went to the Theatre Royal in Brighton for a BSL back stage tour. There were other Deaf people there, too, because it was part of this week's Deaf Diaspora. It was really interesting to learn about the history of the theatre and we saw how the stage is set up for different plays.

Graffiti Art

The FE students have been discussing Banksy, the famous graffiti artist.

Banksy's artwork is very popular and often very amusing. The students are now planning and working on their own graffiti influenced designs, which will go up on the FE walls.

Sarah's Painting

On Tuesday evening, Sarah painted a beautiful picture of number 34 house.

Year 10 go to the leisure centre every Tuesday and are working on their fitness with a trainer called Richard "Rich". This week they worked very hard and are really looking forward to next week.

Rich told the group that when he was a teenager he was very overweight but he decided to exercise hard and eat better. He lost an incredible 11 stone!!

Them Bones

Mrs Grant walked past Ms Mundy's science lesson and got a shock when she saw the skeleton. 10P are learning about bones and used a great app which shows what would happen to our bodies if we didn't have a skeleton.
