6. Girls' house

This is the Girls' FE House (No.34), it is used for children to board and sleep there for 4 nights. When we finish school at 4pm we can choose where to go. If you are 14 years old and over you can go to friends, don't need to go with staff but with friends if you have passed your independence training. You can have fun time with friends.

If you want talk to your parents or carers you can use the minicom or facetime.

Girls' bedrooms: you can share bedrooms or some rooms are single.

7. Boys' house

Care staff

Care staff take over evening time as staff. They have responsibility for the children.

They can arrange activities for us. We all have key workers. They help us with support for any problems.

What is the boys' house like?

Boys' house is quite a big house.

Lots of great bedrooms for boys to sleep in.

Plenty of options to go where you want to go.

There is a big television, PS3, Xbox 360 and Wii

8. Children's independence

What is the children's independence?

That means if you are aged 14 and over you can have independence training with groups.

You must have parent / carer permission. Care staff assess and make sure we can be trusted and they say whether we pass our training.

Over 14s can go to places in Brighton without staff. You must go out with other independent pupils. We have a lot of good fun out there in Brighton.

9.College (FE)

College (FE) students have their own separate houses. They have more independence and can do their own cooking in their own houses.

They are the older students at HLSC. They go to either City College, Plumpton College, St John's or the Access to Music college in Brighton.

10. What the pupils say about Hamilton Lodge

HLSC is happy place. The teachers are good because they sign everything. At my old school my friends could not sign. I prefer it here. – **Kai**

Hamilton Lodge staff are good at continuing my education and offer support to the FE students, with things like improving our learning skills and confidence. I also think that HLSC is really more like a family than a College. – **Harry**

Hamilton Lodge is fantastic, because you can be independent and there's loads of stuff to do in Brighton too. – **Rian**

I love my drama lessons best because I can express myself fully. My drama teacher has really helped boost my confidence – **Lutricia**

I like my lessons. My teachers help me to learn...if I am not sure they always help me to understand - **Natasha**

The care staff look after me well I always feel safe and happy and calm – **Kai**

11. Travel to school

Not all children live near school some of them live far away so they use a taxi or bus to get here.

Every Monday everyone travels to school. You will be picked up from your house to arrive here by 10.45am.

Also every Friday everyone goes home early at 2pm to get home in plenty of time.

Also some of children who lived near school can travel independently but they have to be 14 and over years old and use the buses, walk or go by train.
