Duke of Edinburgh Presentation

Today in assembly last year's Duke of Edinburgh participants were awarded their Bronze award. We found out what they had done for each of their 4 challenges, volunteering, physical skills and finally the big two day expedition.

Parents and people who had helped the participants were invited into the assembly to see the participants' presentations.

Mr Couch handed out the certificates. So well done, Ben B, Ben R, Louis, Louie, Ali, Marcel, Kai, Shopna, Morgan, Natasha and Lutricia. The staff are very proud of all of you.

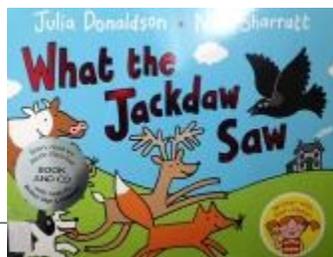

Thank You to the Book Trust

Thank you to the charity The Book Trust who donated many books to our school library.

We have a really great selection for all ages.

The pack even included a book with a BSL signed DVD for primary children to enjoy. We hope more publishers will do similar and help deaf children to grow up loving books.

Fun Swimming

On Wednesday evening the Boys and Girls from 11 and 15 went to the

Triangle for an evening of fun swimming and splashing about.

They enjoyed the flumes and slides and while they were swimming in the warm pool, it started to snow outside!!

Governors Meeting

On Thursday there was a Governors meeting in the gym. Some of them had a BSL lesson with Ms Caiels.

FE student, Oliver, has just signed up for Pedal to the Pebbles, he is very sporty and loves to challenge himself.

Why not challenge yourself, like Oliver, and cycle 45 miles in our sponsored bike ride, from Merstham in Surrey to HLSC in Brighton? Join us on a picturesque route, mostly on quiet roads through rural Surrey and Sussex. Arrive in style at our Summer Fete, where you will be greeted and cheered home by the happy crowd! Register at www.hamiltonlsc.co.uk/bike-ride

VIP Visit 7th June

It is the Queen's 90th birthday on Saturday 11th June... This is also a very special date for HLSC because it is our Summer Fete. We are making a Birthday Card, which will be presented to our Patron, The Lord Lieutenant of East Sussex, Peter Field at a special assembly on the 7th June. He will take the card to Buckingham Palace to give to the Queen.

Exam

This week it was Oliver's turn to sit his signed Humanities exam. He had to answer questions about the effect of the eruption on Montserrat island and the local people.

He did really well, explaining how people escaped to Antigua via boat and that from there many islanders went on to settle in the USA or the UK. Well done Oliver!

The internet is great but we must make sure we are safe whilst using it.
