

Lent

In assembly on Wednesday, Mrs Grant talked about Lent. Rachel said, I will give up chocolate for 40 days... she also said that she likes chocolate because it makes her feel good (good luck, Rachel). Mrs Peacock has said she will give up giving detentions... but she'll need lots of support from the pupils to achieve this. What will you give up for Lent?

Pancake Race

Pupils have been making lots of pancakes this week. Jasper and Luke had a pancake race but the wind was so strong the pancakes flew out of the pan! Year 11 tried a recipe for pancakes using a chocolate batter mixture that Shopna found. They were— very unusual.

D of E

Ben and David volunteer at Scouts for their D of E award. This week they helped serve the fresh pancakes.

Housepoints

Last week the score was
Blue 18 Yellow 19

This week, Scott and Marcel got points for Blue Well done!

Blue 20 Yellow 19

Jelly

Yr 7 and 8 have been learning about Friction. They had to pick up cubes of jelly using chopsticks. Mrs Francis made it even harder by covering them with oil. Alice said that this made the friction low so it was really hard.

Dom at the Gym

Dom really enjoyed his first lesson at the Stanley Deason Sports Centre on Tuesday. He is now able to use the treadmill and exercise bike independently. But he said that

his most favourite activity was using the boxing gloves and punch bag.

Great work Dom, keep it up!

He's a Saint

Last weekend Louis, defensive midfielder for the Saints Foundation, took part in the the FA's Hampshire 5 a side Over 18 Regional Tournament. Louis' team won all their group games scoring 10 goals in 3 games, then beat Andover 3-1 in the quarter finals (despite being reduced to 4 men), before narrowly losing 2-1 to Portsmouth in the semifinals.

Louis worked tirelessly covering every blade of plastic grass and put in some goal saving tackles and had great fun. Well done!

Games Captains

We have new Games Captains in school. I have chosen 2 of my most talented Sports Leaders to lead their teams this year. **Alice** for the Blue House and **Beth** for the Yellow House. Both girls work extremely hard in PE lessons and at Derby were excellent role models for the younger pupils.

They will also be responsible for making sure that equipment is kept tidy in the PE cupboard (not an easy job!).

Well done to you both — Ms Mundy

GAMES CAPTAIN

First Aid

On Thursday evening the D of E group learnt how to bandage a broken arm.

Magic Man

Did you know Luke can do magic? Last week Luke entertained No.1 House with some marvellous magic. Here is a picture of Luke in his Magic top hat and cape.

Milkshake Makers

The boys at No.1b got together and cooked pies, mash and peas. They cook every Thursday. Darren (Care) is very pleased because they wash up too.
