

Skeletons

Scott and Reece have been learning about the functions of the skeleton. They made these skeletons to demonstrate that bones support your body and protect your organs. — Mrs Francis

New Climbers

Dom and Callum joined the rock climbing group this week. Both boys did extremely well and will definitely go climbing again. Thanks to Louis for helping Dom and Callum.

On Your Bike

Our 45 mile sponsored bike ride *Pedal to the Pebbles* is happening on 11th June. The ride starts in Merstham, near Redhill, and finishes at Hamilton Lodge School in time for the summer fete.

Registration is £20.

For details of how to register, email: fundraising@hamiltonlsc.co.uk

HLSC

Sainsbury's have started doing Active Kids vouchers again... Please collect them for HLSC

Welcome Dom

Welcome to Dom who has joined 11P. He said, "I like HLSC."

Housepoints

Last week the score was
Blue 17 Yellow 17

This week Shopna got a point for Blue and Rachel and Patrick got points for Yellow. Well done!

Blue 18 Yellow 19

Derby Football

On Tuesday the senior girls and senior boys' football teams went to Derby for the National Deaf Schools football competition. The girls' team played well in their only losing to Braidwood School though that was not quite enough to put them through to the Playoffs. The boys played 5 matches in their group with a good win over Oak Lodge thanks to a superb goal from Captain Marcel.

All the pupils represented Hamilton Lodge well and Players of the Day were chosen by the Captains of the teams. Alice chose Morgan from the girls' team for her fantastic attacking play and her man to man marking of some very tough players. Marcel chose David from the boys for his excellent determination and his "never give up" positive attitude.

Well done to everyone for making HLSC proud; looking forward to next year!

— Ms Mundy

Different Meanings

Year 7 learnt how to 'beat' a cake mixture. They thought it was funny because the word 'beat' has different meanings in English e.g. I beat you in a race

Special Cakes

Morgan and Natasha made a vegan carrot cake and gave it to Mrs Dumbrill. Mrs Dumbrill said:

Appearance 10/10
Taste 10/10
Texture 10/10

Kai made a dairy - free fruit cake and gave it to Mrs Pulham.

Mrs Pulham said, 'My family ate the cake and we all agreed it was delicious'.

Appearance 10/10
Taste 10/10
Texture 10/10

A big thank you from
Mrs Dumbrill and
Mrs Pulham

Art

In Assembly Year 11 showed their mock exam work. They made large sweet packets.

Laser Cutting

Morgan, Natasha and Alice worked so hard in DT this week they had a spare moment to make a key ring on the laser cutter. It was interesting to see who their favourite cartoon character was. Who's yours?

Makeup

At College GeorGa learnt about makeup techniques including

contouring .
Here are

pictures of GeorGa before and after the session.

FE Bricklaying

At college last week Morgan and I built a wall using bricks cement and lime. We used a spirit level to make the wall straight. — Andrew

FE Art

In his Art lesson, Lewis drew a picture using coloured chalks. Lewis' picture was of his favourite film, *Hotel Transylvania*. Lewis was very proud of his artwork. Well done Lewis.

Healthy Sushi

Year 9 made some fabulous healthy sushi in Food Studies this week. They had to be very careful rolling them up and cutting them to make sure they were all exactly the same size. Callum said that his were better than Mrs Trabucchi's and she agreed!

House Prize

The winner this week is
Kai
