

Good Luck Louis

Last year Louis and his dad ran the London 10K to help raise money for HLSC. This year, on July 10th, Louis' sister will be joining them as they run their second London 10K in aid of HLSC.

Louis said, "We have been training hard, especially on the hills. I'm feeling confident that I will improve my time this year."

Good Report

We received our Ofsted Care Report this week. Inspectors visited last month and found the school to be 'Good' in all areas. Thanks to all the children and staff who played their part in showing inspectors what a great school this is! We've put a link on the school website if anyone wants to read what the inspectors said.

Amina

Amina celebrated Eid this week and showed us her beautiful henna tattoos on her hand as part of her celebrations.

Hats

Callum and Scott designed and made giant hats out of paper! The hats would be good to wear on hot sunny days.

Duke of Edinburgh Official Report EXPEDITION ASSESSORS REPORT FOR TEAM 10DP 29-30th June 2016

AIM: To work together as a co-operative group

After carefully looking at and checking their routes the team headed off in fair weather from YHA Southease over the road bridge and onto the South Downs Way. However, the rain soon set in so that when they arrived at Sealarks campsite about 5pm everyone was a bit damp and Oliver had very wet feet. However, everyone fulfilled their aim of working together. Ayesha summed it up: "Nobody cried and nobody moaned". Beth and David gave the day 10/10. Oliver and Ayesha 8/10 and Lucy 5/10, not because she didn't enjoy it, but because her feet hurt. The team warmed up with hot chocolate and then put up their tents to spend a very rainy night. The morning of day 2 brought better weather and the team kept to their timings and route well, finding their way through the tricky bit of Friston Forest without help. They had lunch at the White Bridge in Alfriston, where they boys found they had forgotten their food. Not a problem as the team pulled together and generously the girls shared their noodles.

Congratulations to you all on taking part and challenging yourselves. I enjoyed meeting you all and seeing what the students of HLSC can do!
