Summer Fete is Pedalling Fun!

Last Saturday lots of visitors and ex-pupils joined us for our annual Summer Fete. There was lots on offer for all the family, including fun activities like face painting, hula hooping, archery, circus skills, bouncy castle and school and college tours. Mrs Grant said, "It was a wonderful opportunity to catch up with ex pupils. I saw Amy Huggins and Sophie Moreton, who left HLSC in 2004."

It was also our first ever bike ride, *Pedal to the Pebbles* on Saturday. Two participants were HLSC students Jennifer and Olly, who completed the 45 mile route, starting at Connevans in Merstham in Surrey and finishing at the Summer Fete. David Couch (Head of School & College) and Tom Kent (Art and Drama teacher) also took part. They were among 33 riders that completed the challenge, raising nearly £2,000 for HLSC so far, with more still coming and further funds being raised for NDCS too.

Pedal to the Pebbles 2016

I sat on the back of the red tandem and pushed with all my might up the hills.

I don't like it when after a while my bottom starts to hurt and it did that a few times.

I also got sunburnt on my thighs and my arms. It took my dad and I over three hours to do the route,

but we arrived safely!
