

Edward Volunteers

Edward volunteered for the British Heart Foundation on Sunday and gave out the medals to the cyclists who had completed the 54 mile ride.

Ed said "It was a great day and I made friends with some of the other volunteers".

DofE Practice Walk

On Weds and Thursday year 10s did their practice expedition. They walked from Lewes to Shoreham and stayed overnight at a campsite. The weather was not kind and it rained for most of the night, however they all kept cheerful and completed their walk about 3.30 on Thursday. Thanks to staff for helping, Ms Mundy and Darren and to Ms Rogers for coming out and entertaining us in the evening. Next week more expedition work.

Gardening

Sophie has been learning about gardening on her vocational course at college. Yesterday she collected some potatoes that her class had grown at Stamner Park. She said, "It's good to see the potatoes, but I don't like mud."

Year 11 Leavers

It's been a busy week for Year 11. On Wednesday they went to Knock Hatch for the day... they had an excellent time on the go karts and waterslides. In the evening it was their Prom Night with lights, music and food. The Photo Booth proved to be very popular. Thanks to Michael (Senior Care Officer) and his team for organising such a fabulous send off.

On Friday we had a special leavers assembly for Year 11 students. Lots of parents/guardians came to watch and it was a very emotional occasion. Year 11 did a special drama performance and then talked about their time at HLSC and what they will be doing next year in FE. Good Luck Year 11.

Visitors

We had a visit from a group of teachers who are training at Sussex University. The Teachers are from Kazakhstan and there were eleven of them. They looked around the school and had lunch with the students in the dining room. They said they had never seen a school like Hamilton Lodge before. In their country, deaf children are in ordinary schools and are often alone with no one to communicate with. They were interested to hear that Mr Couch had visited Kazakhstan. They loved the school and send their best wishes to all the staff and pupils.

Face Painting

HLSC has a new face painting artist Here is a picture of Paul (Care) being given a makeover by Schneider before the England V Croatia match.

EU Referendum

On Wednesday, Mrs Grant talked about the EU referendum in Assembly. She explained the different viewpoints on leaving or staying in the EU. We had our own referendum. Our results were very different to the actual result:

Stay: 44 Leave: 3

Thanks Robbie

Thank you to Robbie (FE), who created this cool QR Code. If you scan the code with your phone you will be taken automatically to the HLSC website. Try it.

Puppeteers

In DT, Jasper and Luke made these cool hand puppets. They learnt about pattern cutting and sewing and design. In assembly they did a special show, Well done, boys.

Sports Day & Open Evening

On Thursday afternoon we had our Sports Day. Lots of Parents/Carers came to cheer on the pupils, who all showed great enthusiasm for the event. The sunshine complemented the warm atmosphere perfectly. In the evening lots of Parents/Carers had informal meetings with the teachers.
