

Deaf Footy

Brighton & Hove played football match against Reading DFC last Sunday. B&H DFC played really well but they were unlucky to be 2-0 down. In the 2nd half they fought so hard but it wasn't to be as they lost 0-5. It was disappointing but we must move on as we have another important match against Barnet DFC this Sunday. Leon earned man of the match for fantastic performance as goalkeeper!

Work Experience

On Tuesday, Sarah and Rosie did work experience at the Grand Hotel in Brighton. They met a cleaner, called Joanna, who showed them the rooms. Sarah and Rosie helped out with jobs, like making beds and tidying,

which they liked doing. Everything had to be *super clean*. They visited the staff office and also the basement, which has a staff canteen, laundry areas and storage areas.

After work, they got a goody bag and Rosie said, "I would be interested in further work in House Keeping!"

Deaf Studies

Mrs Dumbrill and Mr Browning were invited to Deaf Studies last week to do some work on measuring sound.

We all had fun listening to different noises and checking how loud they were on the Sound Level meter.

Mrs Drumbrill visited Stanley Deason gym with 11P & yr 10 classes. Alice was her personal trainer! Mrs D thought it was GREATTT!

Ms Rogers also worked hard at the gym (under the watchful eye of Lucy!) she did a steady hill walk.

On Friday in assembly Alice and Beth did a presentation about Beth's new Fitbit. They explained how it works and how it helps Beth to compare her fitness achievements with her Mum and her Auntie.

I wonder who is the fittest in Beth's family this week!

Opera Fan

I went to see it in half term.

I enjoyed it so much that I wanted to be part of the cast in the show and my character would be Liah, Christine Daae's bestest buddy.

Rebecca (family) was in the orchestra playing the trombone. My favourite character was Christine Daae played by Rachel Coll.
