

PE Star

Oliver had a great time at the gym in his PE lesson. He worked on his upper body strength, helped by Alex (TA). Alex was really impressed and is looking forward to helping Oliver progress with his strength training.

Great work Oliver! — Ms Mundy

Hamilton Lodge

School & College Newspaper

Friday 13th May 2016 Issue no: 1255 — Est. 1981 (35 years ago)

Weather: Becoming cooler this weekend.

Football Trials Day

Saturday, 21st May, 10.30am - 4pm
Hamilton Lodge School and College, Astro Pitch

Football trials day on the astro and grass pitches at HLS. The trials will be run by Brighton and Hove Deaf Football Club on the astro pitch and grass pitch. They will be looking at fitness and skill levels to see if you have what it takes to join the team next season, or in the future.

Please bring your own food and drinks and suncream too. — Thank you!
More information will be posted on the HLSC website soon.

Work Experience

Andrew, Tristan and Leon have been doing work experience this week. They have been helping the Maintenance Team with HLSC improvement projects. Andrew, who is studying Level 1 Building, worked with Bob (Maintenance) renovating and improving the Heads House. Tristan and Leon, both Level 2 Painting and Decorating, worked with Andy (Maintenance) painting the walls to the new disabled access area at No.1.

Andrew, Tristan and Leon showed their skills and the maintenance team are pleased with their work. Well done!

Sun Safety

Get Ready for Summer!

Always use sun cream when you go outside, this is very important on hot sunny days. Wear suitable clothing, hat and sunglasses... you'll look cool and be protecting your self too!

If you suffer from allergies, like hayfever, the nurse can give you a tablet to take before you go outside.

Food Exams

Catherine chose and planned a vegan dish for her Food Exam. Mrs Dumbrill (vegan) tasted the dish. Mrs Dumbrill said, "This is a lovely vegan dish - very tasty".

Great work, Catherine.

Visitor From Africa On Wednesday 18th May

Elevanie Kamana- Headteacher Umutara School for Deaf Children in Rwanda, Eastern Africa will be visiting HLSC with Advisory Teachers Sara Brierton and Isobel Blakeley.

Cooking Skills

Callum learned how to separate a yolk from the white of an egg. He was very confident.

Mrs Trabucchi checked to see if her egg whites were whipped enough by holding the bowl over Mr Couch's head!

Homemade Burgers

Kai, Oakley and Patrick, made homemade burgers, sweet potato with spiralized salad. Brilliant teamwork boys.

College Art

During art class this term Jennifer has made templates of leaves. Having printed a variety of colours and sizes in leaves Jennifer is working on her final collage piece.

Music

On Wednesday, in music, Jasper played on the electronic drums. He used headphones with his cochlear implants and listened to all the different sounds. Jasper said, "I like setting no.5 best because it sounds like music from Tom & Jerry."

Housepoints

Last week the score was
Blue 28 Yellow 27

This week, **Tayah**, **Alice** and **David** got points for Blue and **Amina** got a point for Yellow. Well done!

Blue 31 Yellow 28

Amy

Mr Kent was amazed by Amy's colourful pencil sculpture.

Drawing her influence from Jenga, perhaps?

Artists

Natasha and Dom have been working on some 3D designs. Natasha made a 3D doughnut and Dom made a pizza. They painted them by dripping paint over their work in the style of Jackson Pollock. They look amazing!

Year 11s showed their GCSE art work off in assembly. They had to choose the style of their paintings from 'Outline', 'From Above', 'Group Celebration' and 'Diary'. Mr Kent is pleased with their work.

Drummer Boy

David showed off his drumming skills on Wednesday. He was reading the music on an iPad and did some amazing drumming!
