Deaf Studies Trip

Years 7,8 and 9 went to Macdonalds last Wednesday with Ms Caiels. In Deaf Studies they have been learning different ways to communicate with hearing people. They ordered their food independently and enjoyed their meal. Tasty!

Summer Fete

Saturday 11th June, 2016
11am — 4pm (Free)
Hamilton Lodge, Walpole Road,
Brighton, BN2 0LS

Come along to our annual Summer Fete. There will be lots to do for all the family. Fun for free!

Lenny's Mates

This week the Boys from 1B went to visit their old friend Lenny in his new house. Lenny left FE recently, he was a student at HLS for many years. Lenny was very excited to see his old mates again.

Jennifer

Jennifer did an excellent presentation about David Attenborough for staff and students in FE. Well done Jennifer, you were very confident and clear.

On Thursday, Jennifer went to Plumpton College Equine centre. She said, "I met cheeky and hard to catch Blaze and I brushed her down and helped to cool her off by putting cold water all over her with a sponge, I also brushed down her tail I even cleaned out her feet. I really enjoyed myself!"

Sussex Cricket Disability Day 2016

Sussex Cricket Disability Day at Sussex CCC Hove On Monday the pupils from year 6-10 went to Sussex County Cricket Club to take part in a day with lots of different cricket activities. They were able to see how fast they could throw the ball and also see how accurate their throwing was by throwing the ball through a large inflatable doughnut! Beth was the champion thrower. In another game they had to see how far they could hit the ball up the steps of the stadium. John and David were the champions at this.

Reece and Esmee became famous as they were interviewed for the Sussex Cricket Foundation video. Reece thought that the interviewer should learn to sign!

A great day was had by all and the sun shone which made it even better.

Well done everyone you did Hamilton Lodge proud!

— Ms Mundy

Bake Off Fundraiser

This weekend Olly held a Bake Off/ coffee morning to raise money for his trip to Kenya later this year. The event was a huge success and he raised over £500 during the morning!

Science

Yr 7/8 are learning about classification keys in Science. They have been creating their own keys to classify animals, plants and sweets!

— Mrs Francis

Sun Safety

The hot weather has finally arrived so please encourage your children to use sun cream regularly.

It would be good if you could send your child back on Monday with the cream they like best (please label clearly). Factor 30 and above is recommended. Ask your child to make sure they use it daily before school. We will also be offering sunscreen at break and lunch times and all other times spent outdoors.

Hats and sunglasses (with name) are also needed.

Drink Water

We encourage all at HLSC to drink lots of water during the day, especially in hot weather.

Fizzy drinks are very unhealthy, and we discourage their use, although they have become increasingly popular with our young people. Your support in this would be greatly appreciated.

Housepoints

Last week the score was
Blue 31 Yellow 28

This week, **Reece** and **Scott** got points for Blue and **Patrick** got a point for Yellow. Well done!

Blue 33 Yellow 29

Consent Letters

Just one urgent appeal if you have not returned the updated Medical Consent Forms yet, please do so asap.

Meningitis Vaccine

Could Year 11 Parents, please return the ACWY consent letter, stating whether you wish to accept or decline the vaccination for you child. I would like to book early as it will be easier to find a suitable date, especially now we have entered the busy exam period.—

Nurse Pauline

Allergies

Sunny weather brings out all the pollen, first the tree pollen, then grass and flower.

Nurse Pauline has a supply of over the counter antihistamine tablets, liquids and creams which she can use when indicated.

Let her know if there are any special requirements that you have not included in the Medical Consent and Information forms.

Please contact Nurse Pauline through School Reception if there is anything you wish to discuss. She will answer all enquiries as soon as possible.

Visitor From Deaf School In Rwanda

We were happy to welcome Elevenie Kamana to HLSC today. Elevenie is the Head Teacher of Umutara School for Deaf children in Rwanda.

You can see her school on the internet at:
www.umutaradeafschoo.weebly.com

Elevenie was very impressed with the school and the pupils. She said the pupils and the staff were very welcoming and polite and the lunch was delicious (although she hates cheese!). She said that the pupils at Hamilton Lodge were very lucky to be in such small classes; in Rwanda there are 35 deaf children in one class!

Elevenie said she would love to visit the school again in the future and would welcome visitors to her school in Rwanda - children or staff!
