## FE—Amy's Work Placement

When I started my work placement I was so nervous then the nurses and everyone else made me feel so welcome and were so nice to me and showed me around the place, by the end of the first day I was eager to go back! I was so interested in the operation rooms, kennels and learning skills how to vaccinate and operate

I felt so happy there and doubtless I would go back any day! It was an amazing experience and I absolutely loved it there! It had brought me one step closer to learning and expanding my knowledge on veterinary! It has just made me more eager to finish college and go to university! I can't wait to achieve all this! It would've never happened without the lovely help of the staff of Hamilton lodge, for encouraging me, never to give up, keep on pushing me to achieve my course!

*Special thanks to Marina and the vets & nurses at Grove lodge Animal Hospital, Worthing for giving Amy this wonderful opportunity.*

## Harvest Festival

We had assembly today about harvest festival. We are collecting food for a food bank in Portslade. Ms Barnett volunteers there every Friday. Last week, the food bank had 90 people in to get food from 12-2pm. We talked about how many people in the world are starving and 1 in 6 people do not have enough food to eat.

Harvest is a time we remember to give thanks for our crops and the fact we have enough food but we do need to remember those people in this country and abroad who do not have enough food to eat.

Please bring in more tins of soup, fruit, vegetables, tea and coffee next week. Thank you.

## Luke's Crystals

Luke did a crystal experiment with Naomi (Care). He had to wait 12 hours for the magic to begin. Well done, Luke

Happy Birthday, Lenny!!

## Lenny

It's Lenny's Birthday today. He had a special Spiderman cake and got tickets to see WWE wrestling! Happy Birthday Lenny.

## Staff Do the Colour Run

Last Saturday, Sam, Kate, Rachel, Pippa and Pippa's son, Ned, did the 5km Colour Run in Brighton.

It was fantastic fun! Lots of people were there. As well as getting covered in colourful powder, they were also given free gifts at the end of the race.

Look at the picture... can you see what they are spelling.

They think that everyone should do it next year!

## HLSC Parent Governors

We are both parent governors at HLSC and our role is to make the Governors and Trustees aware of issues from the parent viewpoint. Lisa has a son in FE and a daughter in Year 10. Sarah has a son in FE who is a residential student.

We had a governors meeting on Thursday and have been discussing how we can properly represent the views of parents. If you would like to contact us to discuss anything relating to school or FE please contact us on:
