Deaf Footie

Barnet DFC 12
Brighton & Hove DFC 5

17 crazy goals!!!!

More like a rugby score!

B&HDFC lost to a very good side, in a very tough match! Barnet have been playing for over 10 years and have lots of experience but B&HDFC gave them some shocks, scoring 5 goals and taking the lead twice! The team learnt a lot from the match and this will help them to improve.

Next match:

Donate a Bottle

We are running a bottle tombola at the Christmas bazaar on November 14th and we would love it if you can donate filled bottles. They can be anything as long as it is in a bottle, sauce, bubble bath or even wine. Please give it to your child when they return to HLSC after half term.

If you are donating alcohol would you mind please giving it to the escort to bring with them in the taxi and then contact the school to say you have sent it in. Thank You. Ms Wakeling

Qualified Interpreters

Juliet Grant and Jill Blackadder are pleased and proud to announce that they are both now qualified BSL interpreters. They started their part 1 interpreting course 3 years ago, took a year in between to get more experience and then did their part 2 last year.

Mrs Grant said, "I am very pleased and proud of myself. It was very hard work. I got lots of brilliant support from staff at HLSC and lots of help and advice from interpreters. Thank you to everyone!...This doesn't mean I am leaving HLSC.....you can't get rid of me!"

Jill, who is one of our SSWs, said, " The hard work and determination has paid off! A huge thank you to my colleagues at HLSC for their fantastic support and sharing their expertise. I will continue developing my skills and professional practice in a range of areas, while continuing to work in education, the area I'm most passionate about."
