Champion!

During the summer, Louis flew to Zurich in Switzerland with the Saint's Foundation, for a special international football event.

There were teams from Chelsea, West Ham and Wember (Germany) and more. Louis said, "We had training sessions and then a tournament. My team were champions, we won a trophy... It was very exciting, I am very happy!"

Maintenance

The maintenance Team and external contractors were very busy during the summer break. They carried out lots of checks on things like fire alarms, gas boilers, water systems and fire extinguishers and did lots of improvements and repair work.

Decorating

The Girls were very pleased when they arrived at school on Monday because No. 34 House had been completely redecorated while they were on holiday.

In the kitchen, Jo and her staff were pleased to unveil the newly decorated dining area.

Volunteers

We would like to give a big thank you to volunteers from Allianz Insurance, who gave up their free time to do some painting work at HLSC during the summer break.

FE Team Building

FE has got off to a great start this week with a wide range of fun, team- building activities, sports and challenges. Highlights of the week included:

A competition to build the strongest, tallest tower made from spaghetti and marshmallows - well done especially to Ryan and Gemma for good leadership skills.

Putting up tents whilst being tied together at the wrists - well done especially to Sarah and Rosie for finishing first, Jennifer and Sophie for coming second, to Morgan. for great leadership, and to Ben. for "never giving up."

Chariot building from broom handles and string, and racing - well done to everyone who took part, you all worked together as a team, everyone had a lot of fun, and no horses were harmed in the process!

Making and modelling a dress from toilet paper and Sellotape - well done to Georga for great team leadership, and to Ben, Leon, Aaron and Ben. for excellent modelling and catwalk skills!

ICT Room

Mr Inman is a very happy man. During the summer the Computing room was completely redesigned with modern workstations that can be converted into normal desks. There are new comfortable green chairs and a very large touchscreen! Andrew said, "Wow, this room is brilliant!". Mr Inman is looking forward to teaching lessons in his

new room and its adjacent breakout suite!

Many thanks to the Ovingdean Trust for making this possible.

College Entrance

There is a new entrance to the FE department with a sheltered bike rack.

Artists

Sophie, Alice and Sarah painted some beautiful pictures at No 15.

Brighton & Hove Deaf FC

Brighton & Hove DFC are entering the England Deaf Football Southern League this season. This Sunday they have their first match at Peterborough DFC. Mr Kent said, "We are ready for it!"

On Tuesday nights they have football training on the Astro pitch. This week, the FE boys joined the training sessions— it was great night with 20 players! The FE boys enjoyed it and will be there again next week.

MVS

Year 10 MVS group had their first lesson with Mr King. They looked at safety clothing and Alice put on a helmet, jacket, boots and gloves. Then Mr King showed them one of the mopeds that they will be learning to ride.

PE Stars

Year 10 went to the gym for the first time and learnt how to use the running, cross-training and rowing machines. Well done to 11P for helping them.
