PE Stars of the Week

Ayesha loves Spin Class —
She sent us this report.

I like spin class because it is really healthy, really fun too, it is fantastic. Before I started I didn't like it much, I was not confident but now I like the spin class because the personal trainer encourages me to do it. Now I love the spin class! — By Ayesha

Keep On Running

Well done to **Oliver** and to **Callum** for outstanding work on the treadmill. They ran for over 20 minutes at a good pace... keep up the good work! — Ms Mundy

Christmas Cake Competition Winners

Mrs Trabucchi organised a Christmas cake competition. Year 10s' cakes were so good, she couldn't decide which one was best. She said, "It was very close so they all got a prize." Also congratulations to Tayah and Reece for their fabulous gingerbread designs.

Who's cake design do you like the most?

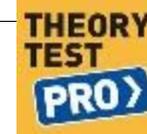

Christmas Decorations

Tymal, Tia, Alice and Tayah decorated clay decorations ready for Christmas and Sophie decorated pine cones to make them Christmassy. All the decorations will look beautiful on the Christmas tree.

Morgan's Success!

Morgan passed his driving theory test on Thursday. Brilliant news, well done! He said, "I was really nervous but so glad I passed. Thank you to Juliet Frankel for all her help in my driving theory lessons in the FE department."

Special Visitors

Nick Ansell who used to be a pupil and then became a member of care staff came to HLSC on Monday to show us his beautiful baby daughter, Sienna. Nick's wife, Angela, came too. Mrs Grant, Mrs Trabucchi and Ms Frankel all wanted to take Sienna home! Congratulations to you all.

Aladdin

This week the HLS Christmas play production team has been continuing to plan things ready so that we can start the rehearsals fully prepared next week. We have been busy finalising the script and discussing props and backdrops so that we are ready to go and it's very exciting.

Esmee

Esmee has just completed her voluntary work for D of E. She has been helping at a Rainbows Group. Here she is doing craft work with a Rainbow. Great work Esmee.

FE Carpentry

Robbie has finished the suggestion box for City College. The school council has asked him to make one for HLSC.

FE Artists

Morgan, Lutricia and Natasha did some painting at college. They are all very proud of their work.

Well Done

Congratulations to Catherine and Lucy for winning the European Union Quiz - the questions were really tricky and year 11 were not allowed to look up information for any of the answers! Mrs. Peacock

Paella Pals

On Wednesday evening, Patrick, Scott, and Reece cooked Chicken and Chorizo Paella. They all did fantastically — Naomi (Care)

No. 11 Dinner

The FE Boys at No. 11 cooked up Nacho Grande with freshly made guacamole. They used mild chillies because Ben needed a break from fiery food, lol Delicious!
