

FE Bikeability

On Tuesday some students took part in Bikeability One. Well done to everyone. A group will be starting Bikeability two soon.

Many thanks to Alf and Declan for all their help.

PE Stars

Year 10 had a great time at the gym when they went for PE on Tuesday.

They have a new personal trainer called Tev... he will be working with him each week trying new activities.

Keep up the good work year 10! — Ms Mundy

New Provision at HLSC

You may have heard about our new provision for a small number of children who used to go to Margate school. It was a tragedy for parents and pupils when Margate closed and we were happy to accept some of the children.

We have made a new space for a special classroom and we have two new teachers who will be working there, **Richard**

and **Kate**. At present we have one new pupil, **Percy** and we are expecting three more. Some of these pupils need extra care at night and we have opened Hill House to cater for these pupils where they will receive the best of care. We have new care staff, **Lacey** and **Laura** and it will be managed by **Paul**, one of our existing, experienced Care staff.

We are really pleased to be able to offer this provision alongside the ordinary school. We're sure all the pupils will benefit from this new provision.

Mr Couch

Fixers Ed in FE helped the Fixers charity make a film about standing up for good communication at health appointments. You can watch it by scanning this QR code. Click the the purple box for BSL.

HLSC Paralympics Ceromony

On Wednesday morning the FE Dept held its own Paralympic Opening Ceromony. Students were challenged to work together in teams to create their country's costumes and flags, in one hour... They looked amazing!

At break time the school pupils watched a parade and voted for their favourite team. Well done team Italy!

We hope you'll all be cheering on Team GB in the real Paralympics! — Ms Frankel

Mrs Grant talked about the Paralympics in Assembly and the values of hard work, cooperation and resilience.

Dottie's Cafe

On Monday FE went to Dottie's Café at East Brighton Park. Dottie's is a new community project run by deaf and hearing staff and everyone can sign. FE are hoping to be involved by using their skills to help prepare the café for opening.

We're Cooool

On Wednesday it was very hot. By the evening the girls were in need of some cool refreshment... ice cream was the perfect thing. Yum!

Safe Science

In Science this week Year 7 were leaning about safety and following a method - they made fruit jelly - Yum! — Mrs Francis

Aliyan

Welcome to new Primary pupil, Aliyan. On Thursday he went to Brighton Library with Mrs Higgs.

Aliyan had fun looking for books and confidently asked the librarian to help him find *Horrid Henry* books. Well done Aliyan.

Housepoints

Last year the score was Blue 37 Yellow 30. Well done Blue! This week, Alice (Yr11) got a point for Blue. Well done Alice!

Blue 1 Yellow 0

Boys' Night

On Wednesday David, John and Luke went with Care staff, Alex and Naomi to Morocco's, then on to Hove Park to play. They tried the climbing wall, outside exercise gym and play area. The boys had a lovely time.
