FE Louis' Report

On Saturday 19th November, Louis went to Birsham in Reading to play for Hampshire Disability football team. Louis sent this report—

It was our first 11 a side tournament and we hadn't played together for a long time. We tried our best and showed some good teamwork against 3 the other teams. Reading Deaf team played well and went to the next stage of the National Cup.

We missed the semi finals because we didn't score more goals

Road Safety Assembly

On Wednesday we had a special assembly to mark Road Safety Awareness Week and to remind us how to stay safe on the roads. We took part in lots of challenges and role plays. We had fun but learnt that some of our behaviours on the road can be very dangerous.

Some FE students have designed posters to put up around school. Well done Louis for this great design!

We're getting involved in
Road Safety Week
21-27 Nov 2016

Look at the picture...
What else is the man doing wrong?

PE Stars

Running ... and running..... and running!!

At the gym on Tuesday **Oliver** and **Ms Mundy** ran together on the treadmills. Oliver ran really well and kept up a good pace for 15 minutes. He would have run for longer but we

had to go back to school. Well done Oliver: you are really improving your stamina and should be proud of yourself! — **Ms Mundy**

Italian Night

On Thursday some of us went to an Italian restaurant.

Housepoints

Last week the score was
Blue 12 Yellow 9

This week Alice got a point for Blue. Well done!

Blue 13
Yellow 9

Thank you HLSC

Children In Need

Last Friday we had a special assembly to raise money for the Children In Need appeal. We had lots of fun playing games and competitions. We did really well and raised £100.18 in total. Well done!

Aliyan likes HLSC

Aliyan wrote a letter to Mr Couch about all the things he likes about HLSC. Mr Couch said, "what a great letter!"

Luke

Here is a picture of Luke with Sue, an audiologist from Southampton Cochlear Implant Team. Sue came to see how Luke was getting on... she was very pleased that Luke uses his implant a lot. Together they made some adjustments to his implant using a computer. Cool!

Christmas Decorations

Mrs Grant spied some pretty Christmas decorations through the window this week.....which house is this?

Number 11

Patrick

Patrick made cheese and herb muffins with Naomi (Care) at No.1 House. Patrick used 4 different herbs from the herb garden. He was very helpful and the scones were yum!

Sensory Equipment

On Thursday, Tayah and Percy got to try out some special light and sound equipment. We are planning to build a new sensory room in 2017 and these are some of the resources we are looking at having. Tayah especially liked the light tube that she could change the colour of by tapping it.

Harvest Collection

Year 6 went to visit the Purple People Kitchen food bank with Ms Caiels and Mr Inman.

The children gave the food that HLSC collected for the Harvest Festival to the food bank which will be given out to less fortunate people.

Our very own Mrs Barnet helps at the Purple People Kitchen every week. They are always in need of coffee, tea, tinned fish and meat, fruit juice, rice, tinned ready meals, rice pudding, toiletries -

shampoo, deodorant, toothpaste, shower gel and sanitary towels. If you would like to give something for Christmas there will be box in reception for any donations.

Anti-Bullying

Year 7 made their own Anti-Bullying word searches in their SPACE lesson.
