It's A Piece of Cake

Reece and Oakley have been investigating reversible and irreversible changes - they made some cake mixture and then baked it. They decided the change was irreversible... and delicious!

'Curious' Trip to London

On Thursday 11T went to the Gielgud Theatre in London for a day about a play called The Curious Incident of the Dog in the Night-time. In the morning they worked with actors, interpreters and deaf children from other schools in a workshop about physical theatre.

Pupils were very excited to be allowed on to the stage to meet the actors, explore the set and handle the props, including a real rat called Scrabble.

In the afternoon 11T watched the play which was interpreted.

They all agreed that it was funny, emotional and gripping!
It was a memorable day and everyone had a fantastic time.

Bushcraft

The D of E group had their second bushcraft session on Thursday. We went back to the woodland area and this time the group had to make and light the fire with no adult help, it was tricky but they did it. The next task was to make pencils from elder wood and home made charcoal.

.With help they made some good pencils and learnt how to make charcoal. Finally it was time to eat and they all cooked sausages on a stick and had them as a hot dog. Everyone had a great time and are looking forward to the Spring when the sessions will begin again .

Vaccinations

The flu vaccination is now being offered to all students who are registered with our local GP, who is now Dr Dirmikis. The practice nurse will attend HLSC on 27/11/16 with a nasal spray vaccine for those under 18 and an injection for those who are older. A consent form will be coming home with your child today. Please complete it and return it on Monday, even if you decide not to avail of the vaccine. If your child is not registered with Dr Dirmikis you can request it at your local GP, or if over 18, from a Pharmacy.
Have a lovely weekend — Pauline Miller (School Nurse)

Christmas Card

The HLSC Christmas card is nearly finished. We will reveal it next week. 'It looks fantastic!' said Mr Kent.

Pebble Painting

Percy enjoyed painting some pebbles that he had collected on the beach.

Harvest Festival

It is Harvest time... Please help us by donating a tin of beans or soup or boxes of tea or coffee. Toiletries for men and women are also great. Harvest will be on 19th October. Thank you

Housepoints

Last week the score was
Blue 3 Yellow 2

This week Alice got a point for Blue and Jasper got a point for Yellow. Well done!

Blue 4 Yellow 3

i360

On Wednesday evening a group of pupils went to the i360, Brighton's newest tourist attraction. The i360 is situated on Brighton seafront next to the old Palace Pier, it is 162m. The weather conditions were perfect for enjoying the panoramic view of Brighton and beyond. At the top of the tower Oliver saw HLSC far in the distance... he took a photo.

Fruit Tasting 😊

Year 6 tried lots of new different dried fruits. They thought they wouldn't like them but changed their minds when they tried them. Then they made a healthy cereal.

Xmas Play — Coming Soon!

Next Thursday we will announce the HLSC Christmas play 2016. Excitement is steadily growing and everyone is eager to know what it will be...

What will it be?
