FootGolf

Last Thursday evening a group of FE students went with Mr French to play FootGolf. It's game played by kicking a ball and trying to get it into a hole. The player who finishes the course in the least number of kicks is the winner.

Bushcraft

On Thursday the D of E group went to their first bushcraft session. The session was in the woods near Brighton and here the pupils learnt how to light a fire using a flint and cotton wool instead of matches. They boiled water for hot chocolate and made bread dampers, which is bread dough wrapped round a stick and cooked on the fire embers. All agreed that it was great fun and are looking forward to next week when they will be learning how to make tools by whittling wood.

embers. All agreed that it was great fun and are looking forward to next week when they will be learning how to make tools by whittling wood.

Harvest Festival

It is Harvest time... Please help us by donating a tin of beans or soup or boxes of tea or coffee. Harvest will be on 19th Oct. Thank you

Tia

Tia played a new game at 34, called basketball head.

Designing

In No.1 House Callum and Scott are in the process of painting and converting an old dvd stand into a herb pot holder with a funky design.

Deaf Footy

Brighton and Hove Deaf Football Club played against Peterborough in the British Deaf Football Cup (like the FA Cup) on Sunday! To our absolute delight, we triumphed with a 5-2 victory! Everyone in the team is very happy. Scorers were Lee (2), James (2) and Carl. This means they are through to the quarter finals against Charlton Deaf Football Club.

Mr Kent said, "We are the Great Killers!"

New Style

Morgan had a lovely haircut this week.

Mrs Grant said, "I wish my hair was like that!"

Poetry Day

It was National Poetry on Wednesday. In assembly Mrs Pulham showed 2 poems about mirrors - one in English and one in BSL. You can look up the BSL poem on YouTube: search for Mirror by Richard Carter.

*Mirror, Mirror
on the wall,
who's the fairest
of them all?*

Housepoints

Last week the score was
Blue 3 Yellow 1

This week **Catherine** got a point for Yellow. Well done!

Blue 3 Yellow 2

Let Staff Eat Cake

Last Friday was MacMillan Coffee morning.

Dany baked cakes at home and the staff proceeded to eat them all in the staffroom at break time. They raised a lot of money for MacMillan too. Special thanks to Dany (TA) for organising the event and for baking so many delicious cakes.

The money raised so far £130

Welcome Jemma

Welcome to Jemma who joined Primary this week. Today as part of our art work Primary explored the tree garden looking for signs of autumn. We saw how the leaves are starting to change colour and are beginning to fall to the ground. We took pictures of some trees so we can keep see how they change over time.

Light Science

Yr 10 & 11 have been investigating UV radiation. First they made bracelets using special UV detecting beads which change colour when exposed to UV light, then they tested the beads reaction to sunlight and other UV light sources.

Hot Science

Yr 8 & 9 have been learning about energy transfers, last week we discussed the energy transfers in an iron. Amina said she was brilliant at ironing, Mrs Francis said she had never ironed anything! Amina offered to teach Mrs. Francis how to iron... and this week she did! Mrs Francis said she had to concentrate really hard not to burn herself or the clothes but it was actually good fun to learn a new skill... Thanks Amina. —

Ms Francis

Proud Friends

On Wednesday evening Rachel (Care) arranged for Reece and Scott to walk to a local shop as part of their independence training. Rachel has been helping them with independence skills, she organised the trip so that they could buy sweets and drinks together. Reece and Scott are proud of their good progress. Well done boys!

Super Chefs at No.34

On Wednesday evening, Sophie and Alice made fresh pesto, and roasted tomato and garlic pasta sauce. They did brilliantly and shared it with their friends.
