Bowling

Percy and Tymal went bowling on Monday afternoon. Percy won. Both boys had a great time.

Geography Trip to Birling Gap

On Monday Ms Wakeling took some pupils to visit Birling Gap for a geography fieldtrip.. Here the pupils learnt about how the sea has eroded the chalk cliffs and that erosion is far worse at Birling Gap because of the soft river mud in the cliffs. They drew some great field sketches and could see for themselves what has happened to the land and buildings in this small hamlet.

Amina achieved 50 house-points last week. This week for her reward, she wore her beautiful home clothes to school everyday.

Year 10 Science

10K have been investigating heat energy using a fortune telling fish... Callum was jealous, Scott was in love, And Patrick was passionate!

However the boys realised that the fish wasn't actually magic. Scott wrote: The fish uses heat energy to move. If your hand is hot it moves a lot, if cold it lays still.

Deaf Footy

Brighton and Hove Albion lost their match against St Albans DFC 2-1 in the EDF Southern League last

Sunday. The game was very, very close and they should have won but St Albans scored in the 85th minute! Brighton's next match is Peterborough Utd DFC in the British Deaf Cup 1st round on Sunday.
